Year 4 Trip to Cuffley Outdoor Adventure Park

As always we ask for a write up when classes or groups of pupils undertake special activities. Not one commented on the deluge that came down just as Year 4 left school to travel to Cuffley for some great team building activities. Here is what they say:

We attempted to build waterproof shelters, tried orienteering and an 'Up and over' assault course.

My favourite part was Shelter Building because we carried sticks and leaned them on trees to build a shelter. At the end we sat inside and the lady sprayed water on us to see if it was waterproof! Tuana 4H

We went to Cuffley Camp on 21st September, and we did the 'up and under course'. We had a lot of fun even though the tunnel we crawled through was dark! Noah 4F

When we went to the camp my favourite bit was when the man had hidden 20 squares with letters on them. We had to find 10 squares using a map. It was very hard for us, but I really enjoyed it. Kaira 4L

Calm Enfield

We hope you recognise the recently published statistics in the Governments 'happiness index' that Enfield is the calmest borough in London with a 2.13 out of 5 stress score. It certainly feels calmer in and around the school compared with previous years. Please exercise calm when dropping off at and collecting your children from school whilst navigating up and down Salisbury Road. We know it gets busy, so factor this into your journey time.

Police Constable Doris came to talk to Year 5 and 6 this week in an assembly about being safe and staying safe. She provided very useful reminders to our children about road safety, stranger danger, and looking after themselves generally. The children paid very good attention to these important reminders. The Year 6 children are gathering their reward ticks daily and soon many of them will reach their target for achieving enough ticks to be given their coveted black jumpers. Many are setting a very good example with attitude and behaviour every day at school. Well done.

Our British Value for this month is MUTUAL RESPECT

Our school ethos and behaviour policy revolves around the core value of 'Respect'. This week, the pupils have reflected upon the meaning of 'mutual respect', and how 'respect' can be demonstrated. For example, the school ethos promotes respect for others. This is also reiterated through our classrooms and Golden Rules, as well as our behaviour policy. Children learn that their behaviour will have an effect on their own rights and those of others. All members of the school community know the importance of treating each other with mutual respect.

Mrs Stylli, PSHE and Values Co-ordinator.

Year 6 Honour Roll

The following Year 6 pupils have been demonstrating the Gold Medal Learners Values From Day 1 this term by: coming to school every day and on time, ensuring reading and homework has been completed according to expectations, not having to be reminded about rules or expectations once, bringing the school PE Kit and other required essentials from home. In all, they have a super attitude to school life. Their parents are therefore invited to attend a special assembly on Friday 2nd October where these role model students will be presented with a black jumper, followed by a special mid-morning treat with their parents.

We thank and congratulate:

6B;- Abigail, Destiny, Havin, Lale, Mariam, Shaloma, Shyanne, Hanifa, Jaidan, Joshua.

6H;- Mayesha, Bawan, Beyza, Hannah, Jamie, Yagmur

6T;- Frederick, George, Kenneth, Sanca, Sapphire, Zak, Ayse, Suzie

Well done and thank you to all the participants in this year's **Sponsored Walk** who generously donated money. Please continue to bring in these funds that will be put to good use to at the school. We will let you know how much we have raised next week.

Barbara Neyland - Friends of Prince of Wales

Have you had a fun filled summer full of lots of fabulous activities and excitement?

Why not carry on with the fun and take part in one of the **Everybody Active Team's** term time sports activities!

There's lots of progressive courses for different ages and abilities in activities such as Football, Gymnastics, Trampolining, Horse Riding and Badminton.
