

# PRINCE OF WALES

PRIMARY SCHOOL & CHILDREN'S CENTRE

**NEWSLETTER** 27<sup>th</sup> February 2015

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents, Governors and Friends,

OFSTED inspectors visited the Honilands, PoW and Oasis Children's Centre last week. Many strengths were recognised and parents who benefited from the services at our site were, unsurprisingly, very positive about the support they receive. The full report and judgment of the quality of provision across the 3 sites will be published in a few weeks.

The children listened to the story of The Emperor's New Clothes, linked to our value of Curiosity. In the story only one child dares to ask the question that was on everyone else's minds: "Why is the Emperor not wearing any clothes?" This situation happens in classes every day. Pupils worry about asking in case they are judged negatively by their peers. It is in fact a sign of intelligence to ask, as evidenced by the brightest among us, such as Stephen Hawking, who continues to pose questions that have no easy answers. Keep asking!

Mr Jan M Bless - Headteacher

### Our Value for this month is CURIOSITY

This week the children reflected on their half term and how being curious towards learning outside of school i.e. through a hobby, can be fun. This month the children have linked the value of curiosity to other values; enthusiasm, creativity and good sportsmanship. The children are aware that curiosity is also about challenging their comfort zone and mind-set. The children are developing flexibility towards learning inside and outside of the classroom. We encourage the children to set themselves a new challenge, a new thing to learn. Ultimately, we encourage the children to be curious 'life-long learners'.

Mrs Stylli - PSHE, P4C and Values Co-ordinator

### Value for this Month: CURIOSITY

These children received a certificate for demonstrating curiosity at Prince of Wales this week, well done: Amy 1A, Nico 1K, Reber 1S, Kamara 2M, Boran 2Ri, Katie 2Ru, Adrian 3D, Baren 3F, Jannae 3G, Emin 4H, Safwa 4S, Yagmur 5G, Sherleese 5L, Umut 5N, Paul 6A, Savan 6B and Fatma 6H.

**Debate this:** Should we be sending people on a one way ticket to Mars in 10 years' time, or should we be spending the time, effort and money on solving issues that are currently worrying us on planet Earth? Can you think of reasons for and against?

Can your child or you recount the 'Emperor's New Clothes'?

**Science Corner**

In Year 4 we have been classifying animals by different criteria. We have divided them into land animals, sea or pond creatures and amphibians. We used Venn and Carroll diagrams to help us classify them.

**Comic Relief's Red Nose Day – a Prince of Wales Charity Day**

Your mission is to raise money for **Comic Relief's Red Nose day**.

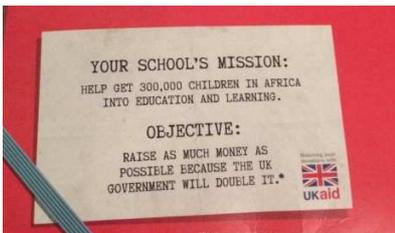

Donate £1 to come to school wearing red on the 13<sup>th</sup> March.

Be a 'Comic Relief Double Agent'.

Please remember to only wear red clothes!

No red hair spray or face paint.

Thank you.

**Y3 Homework – Pyramids**

Year 3 homework for the half term break was to make a pyramid. The solutions to this task varied in sizes and decoration to using sugar, sand, card or straws. There is no right or wrong way of going about it and adult help is greatly encouraged.
