Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Governors and Friends,

On Monday we reflected with our pupils that they should develop confidence and courage to speak up when their work poses difficulties or lacks challenge. Also, to take the initiative and find adult support rather than being a bystander when someone is treated unkindly in the playground. This led to reflecting on Holocaust Day and that sadly the persecution of large groups of people or whole populations is led by a minority of people with the majority staying silent or impassive out of fear. Our School Values mirror the British Values, that should inform the proper response or action when we are faced with any type of situation that could result in distress to ourselves or others. We aim for our pupils to become resilient, reflective, tolerant and compassionate citizens of our wider community.

Mr Jan M Bless - Headteacher

Our Values for this month are CONFIDENCE AND AMBITION

This month's exploration of the Values of 'Confidence' and 'Ambition' highlights the importance of being a determined and resilient learner. Having an ambition e.g. a learning target can help children to set themselves the challenge of stepping out of their 'learning comfort zone'. It is important not to allow a 'lack of confidence' to stop them from achieving their ambition. Through January, the children became aware that they need to be 'purposeful' i.e. to articulate their desired target/ambition and to take the steps necessary to achieve their chosen ambition.

CycleEnfield

Enfield Council has been awarded £30 million to transform cycling across our borough.

Later in the year we will be consulting on various options, but for now we are holding a series of exhibitions to help you find out more about the Cycle Enfield project.

We'd like to hear your views, come along to an event near you:

Parking in Salisbury Road

You will have noticed that new yellow lines have been painted at the bottom of Salisbury Road, outside and opposite the School entrance. Please take note of the regulations as these will be enforced.

On Thursday morning a car was left on the school driveway, blocking the school car park exit, preventing a group of Year 6 pupils and staff from leaving our site on their way to an educational visit. This happens every day to the residents in our road. You can imagine how frustrating it is if this happened in front of your drive, every day, with drivers claiming it is 'just for a few minutes'. We continue to ask for your cooperation to park with consideration for residents, pedestrians and the school. Better still, can you leave the car at home?
