Young Voices Concert

Miss Beyzade, Mrs Gage, Mrs Naziris and Mrs Reece went with the choir to sing at the 'Young Voices' Concert at the O2 on Thursday 8th March. Young Voices were celebrating 15 years of singing and raising money for children with cancer. We all thoroughly enjoyed ourselves, it was a fantastic experience!! We were very excited when 'Urban Strides' came on stage, and it was an amazing experience to sing with Connie Talbot, the winner of 'Britain's Got Talent'.

Drama workshop

Years 5 and 6 took part in a drama workshop on Monday in which they explored 'respect'; respect for themselves, respect for others and respect for property. Classes took part in a range of collaborative activities and re-enacted a range of scenarios linked to the topic. Follow up work included creating a Kingdom of Respect in each classroom.

Netball matches

The year 6 girls' netball team took part in their final round of cluster matches at Oasis Hadley. They played 3 matches in total and, despite not winning, put up an incredible fight against 3 very strong teams. All girls are looking forward to continuing netball at secondary school.

Sing Inspiration

Year 6 have been working with their teachers and professional musicians to learn a number of gospel songs during their music lessons this term. This project culminated with a trip to The Royal Festival Hall where the children performed these songs along with hundreds of other children from a variety of schools across the capital. All the children were up dancing and singing . . . a wonderful experience for all!

3B assembly

Class 3B told us about the importance of looking after our planet by recycling. They gave us lots of information about what we can do to avoid filling up landfill sites. The children showed us just how much rubbish can be recycled by bringing in their recyclable rubbish from home. It took up a quite a bit of the stage! Every day in school, we can try to make a difference by putting waste paper in the recycling bin, and not wasting food at lunchtime.

Visiting poet – Valerie Bloom

On 13th March six children (Daisy, Harry H, Libby, Safia, Winston and myself) played host to four other schools and Valerie Bloom, a famous children's laureate and poet. Some children, including myself, brought in money for one of her books. She even signed it for us! She was a really nice person and it was a privilege to meet her and work with her! She taught us a song/poem that we might be performing in front of the school. The schools that came were St George's Freezywater, Galliard, George Spicer, Bush Hill Park and of course Prince of Wales. It was a really great day and everyone enjoyed it. Thanks to Ms Clarke who made this day possible.
