

Prince of Wales Primary School

Latest News: 18th November 2011

Meeting the Police

The Reception classes had some special visitors last week - Sylvia, our local Police Community Support Officer, and Stacey, one of our local Police Officers. We enjoyed finding out about all the different people who help us in our community, including the police. We then played a game of 'Spot the Difference' looking at Sylvia and Stacey's uniforms and afterwards we had lots of fun trying on some of the uniform ourselves!

Ndbele art

Year 6 have been working extremely hard with Michael Echekeba, a professional artist and Prince of Wales parent, to paint the KS1 steps area. The design originates in Africa and is known as Ndbele, which has been the focus in Year 6 art lesson.

Tag Rugby

On Wednesday afternoon, the tag rugby team took part in their first cluster of matches. They displayed great sportsmanship and worked well as a team. Prince of Wales won one match and lost three. We are all looking forward to the next cluster of matches.

Children in Need

The whole school took part in a number of fun activities this week to raise money for Children in Need! Everybody did a fabulous job from buying quizzes and colouring sheets; paying to guess the spots in the jar to dressing up for our Decade Day on Friday 18th November. On Friday, Class 6T presented an assembly to the whole school to explain some of the ways in which the money raised will be spent. They also presented prizes

to winners of the competitions, and to the best dressed children in each class. Altogether we raised a magnificent £588 for Children in Need.
