## **Year 3 visit to Verulamium**

Year 3 went to the Verulamium Museum at St Albans by coach. As soon as we arrived, we played in the park and it was super fun! We went to the Hipercaust and we looked at some of the beautiful mosaics and had our drinks. After that we had our yummy lunch in a kind of hut. Then we went to the Museum and saw Roman pots, skeletons, coins and a dolphin necklace charm. We also saw a video. Next the guide talked to us about some of the mosaics. Finally, we went back to school on the coach.
