Visit to Henry Moore

Year 3 went to the Henry Moore Foundation last Tuesday. When we arrived we had a guide who took us around the museum and explained how the sculptures were designed and made by Henry Moore. Next, we were given the opportunity to go and sketch our favourite sculptures - most of us chose the 'Double Oval' (it actually looked like a pair of scissors). We found that because the models were abstract that we could look at them in different ways - for example for one model some of us thought that it looked like an elephant, others said it was a

strange shaped wall and a few thought it was the hulk!

Paradise Park Y4

On Wednesday 4th July my class visited Paradise Wildlife Park in Broxbourne. First my group decided to explore the area with the meercats. They are herbivores, and there were lots of them all huddled together on a huge rock.

"Look!" Sila yelled. "They look so cute!"

After we finished gazing at the small meercats, we decided to look at the adorable rabbits and guinea pigs. They are also herbivores. They must have been scared of us because they were all huddled up in their hutch.

Later on we saw a snow leopard. It's coat was as white as a blank page of a book and like snow like its name!

My favourite part of Paradise Wildlife Park was looking and gazing at all the large animals. I enjoyed watching the meercat because it looked as if they were staring into my eyes. I also enjoyed watching the strong monkeys climb from rope to rope clinging on for dear life. The place was very beautiful. There were lots of little areas to play in including adventure playground, pirate's cave and many more!

Shenel, Class 4A

Food Glorious Food

At the end of this term we say goodbye to Mrs Tilbrook, who leaves the school after cooking the school dinners for more than 22 years. The whole school gathered to say thank you for all her hard work, and sang 'Food Glorious Food' to her. We wish her good luck for her retirement.

Orange class assembly

Orange Class told us about some of their favourite things during their class assembly. They told us the story of 'Little Rabbit Foo Foo', then showed us how well they could hoola hoop, accompanied by the African drums. They showed us some of their wonderful art work. What a talented class!

Olympic Torch

We were very lucky to be visited by one of the Olympic Torch bearers who came into school and showed us the torch that she carried through the streets of Harlow. She told us that the 8000 holes in the torch represented the 8000 people that are carrying the torch around Great Britain before it finally arrives at the Olympic stadium.

New Classes

On Wednesday everyone visited their new classes and met the teacher they will be with in September. It was a chance to get to know each other, and to find out about some of the exciting things planned for the new school year.

The Mayor's Charity Fun Run

The Mayor's Charity Fun Run this year is being held on Sunday 9th September 2012. Once again there will be a 3km walk, 3km run and 10km run. Entry forms can be downloaded from the Enfield website at www.enfield.gov.uk/sport Other family activities on the day include bouncy castle, pony rides, face painting and circus skills.
