## **Year 2 visit to the CLC**

Year 2 visited the CLC to learn more about 'Control'. We used a programme on the iMacs called 'Terry the Turtle'. We had to direct the turtle through the mazes using forward, back, left and right. Some of the mazes were quite difficult. Then we tried writing our initials or our names using the control instructions. After lunch, we used a programme called 2Simple DIY. We had to design our own catching games, and then we played them.

## **Thorpe Park**

A trip to Thorpe Park was organised by the Prince of Wales Parents and Friends on the day the school was closed for local elections. Everyone was on the coach on time and we got to Thorpe Park before it opened. As soon as the gate opened, it instantly stopped raining and stayed dry, but was still cloudy and cold. Everyone had a good day as there were no queues for the rides as everyone was either still at work or school, so all the rides were accessible as many times as they wanted. The rain held out until 4.15pm just in time for everyone to start organising to be back on the coach to leave at 5pm, which we did and made it back by 6.30pm. Everyone had a great day.

## **Year 3 visit to the CLC**

Year 3 went to the CLC to use 'Photo Story' to tell the story of Anthony Browne's book 'Voices in the Park'. We went inside and there was a lady waiting for us, her name was Linda. She was very kind. We used the iMacs. She gave us instructions on how to make a photo story. Afterwards we had our lunch and played outside.

Khadija, Class 3K

## Class 2F assembly

Class 2F have been learning about the similarities and differences between different animals. They told us about different types of animals such as mammals, birds, fish, reptiles and amphibians. They finished their assembly with a lively song called 'The Animal Boogie'.
