Visit to the Seaside

Year 2 visited Southend on Tuesday. When they arrived, they went on the pier train and saw the lifeboats in the lifeboat station at the end of the pier. It was raining and very misty, but by the time they returned to the beach, the rain had stopped. After eating lunch on the beach, the children had great fun splashing in the sea, and building sand castles. Finally, everyone enjoyed an ice cream before returning to school on the coach.

Yellow class assembly

The theme for Yellow Class's assembly was Minibeasts. They sang songs and told us lots of facts about minibeasts. They showed us their paintings of butterflies, and told us how minibeasts like bees and butterflies are our friends and how we should be kind to them.

District Sports Finals

The two children who won their heats last week at the District Sports competition returned this week to Lea Valley Athletics Centre to compete in the finals. Hana Sherif in 5G competed in the 60m hurdles and Theo Gyeabour in 4A ran in the 50m sprint. Well done to Hannah who won her race, and was presented with a medal.

Library assembly

On Monday Jean from Enfield Library came in to talk to everyone about the Summer Reading Challenge. Anyone who reads 6 books during the Summer holidays will be rewarded with stickers and a certificate.

International Day

Each year group learned about a different country and displayed their facts and artefacts in the hall. Throughout the day, each class visited the hall, and after showing their passports at Passport Control, they were able to visit the different countries including Australia, China, Italy, Greece and the United Kingdom.

Fun Day

Even though the weather was dreadful, we had the Fun Day in the square hall. It was very busy and lots of people came for the performances of the African Drumming and the Guitar Players. Thank you so much to all the adults and children who helped on the day, making our first Fun Day a brilliant success. Mr Taylor raised £50 by having sponges thrown at him and getting very wet. He had already been drenched twice by the bad weather! Thank you to everyone who bought in items for the tombola, you all helped to raise over £150.
