## What is the Parent Forum?

The Parent Forum is a partnership between parents and the school. It is a valuable way to share ideas, views, concerns and make suggestions for improvement.

The aims of the Parent Forum will be to:

- ◆ work together to improve the education provided for our children
- ◆ share information, knowledge and skills
- ◆ meet in a mutually supportive environment
- ◆ further improve communications between parents/carers and staff/ governors

## Who can be part of the parent forum?

Any parent is welcome to join any parent forum meeting. The forum will be chaired by a member of Senior Leadership Team. At times, other members of the school community will also attend the meetings depending on the agenda items.

## Why should I be part of the parent forum?

It gives you an opportunity to get together on a regular basis with other parents to have your say on what the school is doing well, and suggest ideas of how things could be improved. There will be opportunities to get advice and support to help your child/children with their learning

## How often will the Parent Forum meet?

Every half-term for about an hour

## What will be discussed at the meetings?

Anything related to improving the school and further developing the partnership between the school and parents. The meetings will be informal and are an opportunity for an open discussion. Minutes of the meetings will be taken and these will be accessible on the school's website.

## What will not be discussed at the meetings?

Concerns or complaints involving individual children, families or members of staff. These issues should be raised with the class teacher, Achievement Leader, Deputy Headteacher or Headteacher in a confidential meeting.
