Brass demonstration

Children in Years 3, 4 and 5 were treated to a musical demonstration by members of the Enfield Arts Service. They played a variety of instruments including trumpet and French horn. They played several pieces of music that were instantly recognisable by the children including the theme songs from 'The Simpsons' and 'Harry Potter'.

If any child in school would like to learn one of these or any other instrument, please ask for an application form from the office.

Anti-Bullying Assemblies

We started the new Spring Term with each class carrying out activities related to Bullying and how we can stay safe. Each class presented their work in two special assemblies, one in KS1 and one in KS2, on Friday. Children shared what they had learned in a variety of ways, including poems, short video clips, and songs.
