Bird Week

This week and next week, we are celebrating Bird Week. Children throughout the school have been finding out about the different birds around our school and in the local area. Class 6T sketched their favourite birds. The pictures below are by Tyler and Mehmet. We are hoping that this year, we will be lucky enough to have birds nesting in our birdcam. What birds have you seen this week?

Better Reading

On Thursday 19th January Anne Davis, an experienced Reading Recovery tutor, came into school to hold a workshop for our support staff and parent volunteers who listen to children read. It was, as usual, a very informative, interesting and entertaining session.

We would like to thank the volunteer parents who give up their time to support us in this way. If you would like to help us too, please speak to your child's class teacher.
