**Latest News: 10th February 2012**

## **Bird Week**

This week was the second week of our Bird Week. Year 2 walked around the school to see what different kinds of birds they could spot. They used binoculars to look more closely at the birds and the nests in the trees. They saw pigeons, crows, magpies, gulls and sparrows, as well as our resident chickens. There were even two ducks on the field early in the week.

## **Class 4F's assembly**

Class 4F based their assembly around 'Diaries'. They read extracts from their own diaries, as well as acting out a part of 'Diary of a Wimpy Kid'. The main part of their assembly told us about Anne Frank. She is famous for the diary she wrote telling how she and her family lived during the Second World War.

## **Disco**

On 31<sup>st</sup> January Nursery and Reception, and Years 3 and 4 had their 'Glow in the Dark' discos. On 7<sup>th</sup> February, Years 1 and 2 and Years 5 and 6 had their discos. They were all very successful and well attended. 241 tickets were sold, which is nearly half the school! Everyone was covered in glow sticks and they looked absolutely fantastic. Even parents joined in and were dancing to some disco classics such as Y.M.C.A. and Agadoo. The evenings were great fun and everyone enjoyed themselves. Over £800 was raised to buy equipment for the school.

Forthcoming events include a Bingo Night and a visit to Thorpe Park in May. Letters for Thorpe Park are still available from Mrs Neyland in the playground at the end of the school day, or from the school office.

## **Class 3S's assembly**

Class 3S have been learning about electricity. They told us about some of the dangers we can encounter when using electrical objects, and the rules about how to stay safe. They even asked the audience to join in with their 'electricity' song.

## **Class 4A's assembly**

Class 4A have been learning about the Second World War. They took us back in time to when children were evacuated to the country to avoid the bombing, and people's food was rationed. When the bombs fell on the cities, people sheltered in air raid shelters to stay safe.

## **Marie Curie Pots of Care**

On Friday, children and staff came to school dressed in green and yellow to represent daffodils. Before Christmas, all the children planted daffodil bulbs. They have been looking after the bulbs and watching them grow. This week they took them home to give to someone they love. Thank you to everyone who brought in donations. The money will be given to Marie Curie, the charity which cares for cancer patients.
