Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Hi everyone, friends of Princes of Wales are looking for children to donate 1 unwanted teddy bear from home for our Christmas fair. Please hand them into your class teacher by the 17th November.

Thank you 😊

Thank you so much to staff, students and parents at your school for your generous donations to the foodbank!

You will be pleased to hear that in total you donated 302.8 kgs of food!

I will soon be posting a certificate of thanks out to you!

Friday 17th November

We are raising money for 'Children in Need', through a **£1 donation** for a non-uniform day...please wear 'spots'.

Just remember no face paint or hair colouring!

A Prince of Wales 'Charity Day'

Learning Together, Growing Together

We have listened to the children's requests and organised a new 'Basketball club' to our lunchtime clubs list. You can view this list via our website <http://www.princeofwales.enfield.sch.uk/school-curriculum/school-clubs/>

Dear Parents and Carers,

We were delighted to see so many visitors at our first Art Exhibition this year. The children across the school have worked very hard this term on the topic of 'Portraits' and were inspired by the work of artists such as Pablo Picasso, Andy Warhol, Van Gogh and Alberto Giacometti. We have been encouraging children across the school to express themselves artistically through a range of media, such as paint, shading pencils, clay, and computer programs to produce stunning art pieces.

This was a special event for the children - who visited the galleries with their classes during the school day and then again with their parents/carers before and after school. They enjoyed finding, admiring and talking about their creative learning journeys and final masterpieces.

We would like to thank all of our visitors for coming to celebrate the children's wonderful achievements and for taking time to write comments on our Art Exhibition feedback sheets. It was wonderful to read your comments in praise of the children's wonderful artwork and in praise of the event. Here are a few comments from our guests:

"What a great inspiration Picasso's abstract art has been for the children." - Year 2 parent

"Very impressed with my children's work (proud mummy). - Year 1 & 2 parent

"Absolutely amazing! So good to see our budding artists being acknowledged for their wonderful work." - Year 4 parent.

"This exhibition has reassured me that the curriculum at Prince of Wales truly is rich and broad and balanced. That these children have had an opportunity to 'wallow' in art and design is a testament to the school's valuing of the subject and particularly important to those children whose talents lie in the visual arts". - Guest

"The quality of the children's work was fantastic. I loved the way it was displayed and the fact that we had the opportunity to view it. They have both learnt so much about their chosen artist, which has been great." -Year 5 & 6 parent.

"Lovely to see all the children's different interpretations of the sculpture. Great display!" -Year 6 parent

"Beautiful work, beautifully presented. Children (and staff) have clearly worked hard to produce such masterpieces". - Year 2 parent.

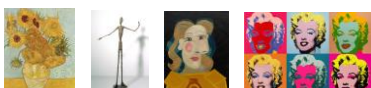

"The exhibition was so beautifully displayed, a warm and serene environment. I felt like I was stepping into a real art gallery/exhibition. So impressed with the work the children have done. I am very proud of my daughter and all the other children. Very impressed!" - Year 5 parent.

"Outstanding art and attention to detail." - Year 5 parent.

5T's Assembly

This week, Year 5 put on an assembly for their peers and parents, demonstrating some of the exciting things they had learned last half term. As October was Black History Month, we explored the lives of two very important black women: Floella Benjamin and Bessie Coleman. We looked at part of Floella Benjamin's autobiography. The children wrote part of their own autobiography. Next, children studied the biography of Bessie Coleman and used what they had learned to write part of her biography themselves.

Continuing with the Black History theme, Year 5 researched and learned about gospel music. Children used their ICT skills to research some current black musicians and how they have been influenced by gospel music. We linked this back to Bessie Coleman, she sung gospel music whilst working in the cotton fields .

During art last half term, Year 5 focused on Andy Warhol and his style of art; pop art. Children studied how he created his artwork as well as different techniques he used. They used Warhol's work as a stimulus for drawing a self-portrait. Then, through the use of ICT, transformed their pictures into a piece Andy Warhol style of art.

Freedom & Individual Liberty

Listen Excellence Attitude Respect Negotiate Enjoy Responsible Support

Can you think of ways to demonstrate your individuality at school?

"You need to have a strong mind." Aaron 5G

"Listen to your peers and respect their views." Naomi 3Fe

"Let people be free to be themselves." Noah, 6B

"You need to have a strong heart." Holly 3Fe

"You have to make choices; you cannot always do what you want to do." Mia 3S

"When you have an opinion it is your choice to do the right thing."

New playground markings

We are again grateful to our local authority and especially Panay Richards from Asset Management for the new playground markings. They were installed by the wonderful people from Magical-Uk. Our pupils were able to watch strips of vibrantly coloured thermoplastic being laid and burned onto the playground surface. A sprinkling of fine white sand on the drying strips ensures a good grip during wetter weather.

The new courts, tracks and markings have created an exciting and versatile space that allows our pupils to use their imagination, spend their energy as well as support our PE and sports provision.

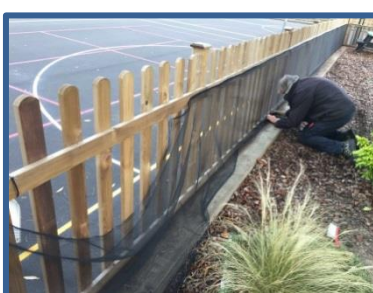

Our pupils think it's **MAGICAL!**

Now that our playground has been completed, we can give our pupils access to the island again. However, to enjoy the new markings we want to keep the bark off the tarmac. As you can see in the photos, Mr Bidewell, one of our site managers has carefully installed netting inside the fence to prevent accidental spillage of bark.

Children, look after your playground and keep the netting intact as well as the bark and wood chips inside the island.

Thank you.

Seasonal Learning

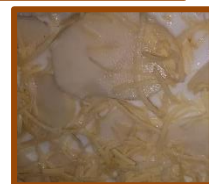

Cem, our chef, used the last of our garden harvest to prepare a variety of seasonal dishes.

Meanwhile, across the school it was evident that teachers were making the most of what this season has on offer:

For example, autumn leaves inspired Nursery to match colours and describe the sounds dry leaves make such as crunching and rustling.

In 5T shapes and patterns inspired an art project including rubbing techniques but also creative writing.

Rainbow Class pupils carved their own Halloween pumpkins

Pumpkin Competition

Beth in 2TH received a special Halloween Cupcake making kit for being the nearest at guessing the pumpkin's weight.
