Our Value for this month is Unity

This month the children will be exploring the value of **UNITY**. On Wednesday, the Reception children invited their families to attend a 'teddy bears picnic'. The school community joined together today, for the annual KS1 and KS2 'family sports day and picnic'. All of the children have enjoyed showing their families 'unity' through co-operative team sports. Throughout the 'Healthy Body Healthy Mind' fortnight, there has been a wonderful atmosphere of 'unity' and togetherness at Prince of Wales.

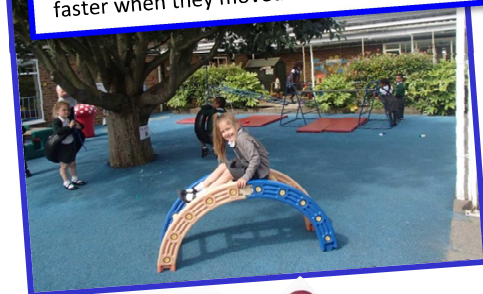

Mrs Stylli, PSHE and Values Co-ordinator

Value for this Month: Unity

These children received a certificate for demonstrating this value at Prince of Wales this week, well done:

Adam 1S, Austin 1A, Kaan 1K, Anna-joni 2Ri, Melina 2Ru, Sarah 2M, De-jean 3F, Klaidis 3G, Jasmine 3D, Darrell 4H, Shria 4S, Kai 5L, Lendris 5N, Zayvier 5G, Anneke 6H, Joshua Ba 6B, Yasangi 6A

Orange Class explored how 'healthy living' includes keeping fit. We had an active 20 minutes in the outside area. The children observed how their hearts race became faster when they moved more.

Year 6 Lord's cricket ground visit

Mr Shah organised a splendid day for Year 6 at the home of world cricket, Lord's. They saw Middlesex bat against Hampshire, and for those less proficient in the finer cricket details, learnt something about rules and scoring. Each class was given a very interesting tour of the history of cricket and Lord's. This included seeing **The Ashes trophy** and watching a **real tennis game** (no, the racket in the photo is meant to be that shape!). There were also activities relating to cricket, fair play and sportsmanship. Davina was given a special prize for being the only one among 1600 school pupils to solve and complete a particular challenge by using her observational and deducting skills.

Overall attendance since September: **94.30%**

Reception Sports Day and Picnic were well attended. Parents also found out about their children's achievements through the Learning Journeys.

KS1 and KS2 Sports Day and school picnic were again a tremendous success. All pupils demonstrated the value of UNITY through their team play and sportsmanship. Seeing all our families with their picnic rugs sharing food and enjoying themselves also showed what a wonderful school community we have. Thank you to all who participated.

Year 6 pupils are sharing their thoughts with Year 5 with experiences, advice and things to look forward to.

Once you get 20 ticks you will get your black jumper. When I got it, I felt special, my mum and dad were happy. It made a change after 6 years of wearing green. *Joshua Brown* Being in Year 6 takes a lot of time and effort. My advice for year 5 is to work extremely hard and to have a good attitude. Don't act cool, just behave REMEMBER! During the holiday there are extra classes, take advantage of that and go! It may only be a few hours but, it helps. It truly helps. It helps a potload! *Shenel Ruga*

Stone Soup

Can your child recall the story *Stone Soup*? All classes heard the story and consequently participated in a whole school interclass competition. This was to make the best soup in the school, using a particular recipe. The Cooking Club made ice lollies for the winning classes that were: Nursery, Moonbeam, 2S, 4S and 6B. Well done to all classes and thank you to our expert (brave) panel of tasters!
