### Easter Bonnet Parade

Once again this year we have held our Easter Bonnet Parade and it was even better than ever. It was lovely to see so many children and adults wearing their hats and enjoying the drumming. From the photographs you can see the creative talents of our children coming together in a whole school event. We hope you all a Happy Easter and enjoy the sunshine this holiday. We look forward to see you on **Tuesday 22<sup>nd</sup> April**.

### Values-based Education at Prince of Wales

The philosopher Montessori (1870 – 1952) developed the idea that a school should be based on a model of the 'ideal family' e.g. a safe, calm, secure and loving environment. She wanted schools to be linked to families and their local community. These ideas form the foundation of Values-based education. We now have 'families' in KS1 and KS2. Our intention was to create a sense of community within the school. Children develop a healthy sense of self when they experience belonging. We welcome your thoughts and feedback about Values at Prince of Wales. Thank you for all of your suggestions at Parents Evening for a 'Value of the Month'.
