PRIMARY SCHOOL & CHILDREN'S CENTRE

NEWSLETTER 4<sup>th</sup> July 2014

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents, Governors and Friends,

You may have noticed from our recent newsletters that our children have achieved good results in a range of competitions. The intellectual and sporting prowess of those that represented our school has been high and of course we aim to improve on our achievements next year with a place in the top 3 in whichever category. I must thank the pupils for having been good ambassadors to the school as their behaviour has been impeccable.

Jan Bless – Headteacher

### Values-based Education at Prince of Wales

Our new Value of the Month for July is **Friendship**. This Value naturally follows on from 'Interdependence' and links to cultures, diversity and our celebrations in cultural fortnight. This Value is also an opportunity for Year 6 to reflect on the friendships that they have made at Prince of Wales...before their transition to secondary school. We look forward to exploring the importance of friendships at school. We can all relate to the forming of friendships. One conversation can make a friendship blossom...Friendship is born at that moment when one person says to another: 'What! You too? I thought I was the only one.' – C.S. Lewis  
Mrs Stylli – P4C & Values Co-ordinator.

### District Sport Competition

Prince of Wales children were selected to be entered into sports district on Wednesday 25<sup>th</sup> of June at the Lee valley athletics centre. The day involved 24 schools coming together in a mini athletics event. As the day progressed the event depicted the thrill and elation the Olympics brought with children, staff and parents all rallying together to support and applaud each other. The children were filled with excitement and nerves as they prepared themselves to take part in their own individual events. Prince of Wales produced a fantastic effort of coming 4<sup>th</sup> overall, out of 24 schools, with 4 of our children coming 1<sup>st</sup> as well as the Year 6 girls winning there relay race and the Year 3's coming 2<sup>nd</sup> in theirs. For more details of the event please see the PE team.

### 1M Class Assembly

In 1M we have been studying famous works of Art. We read a book called *Katie's Picture Show*, about a little girl who goes inside paintings to have adventures. In our assembly we imagined what it would be like if we went inside works such as *The Umbrellas* by Renoir and *Surprised* by Henri Rousseau. We created our own artwork based on famous paintings and a song and dance. We really enjoyed all our learning, especially being performers and we'd like to thank everyone who came to watch us.

Miss Matthews – Teacher 1M
