Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Carers, Governors and Friends,

Our staff training day on Monday was a great success. Teachers visited another school to observe maths lessons and used this to reflect on their own practice. Many ideas are being implemented and adaptations to teaching are being made. Support staff had the opportunity to learn how to deliver a variety of interventions to support individual children's reading and number skills. Our next training day on Monday 11th October will focus on further teaching techniques and measuring progress in a lesson.

Value of this Month: *Co-operation*

In October we focus on the school value of co-operation.

- ✓ Co-operation is helping one another.
- ✓ Co-operation is working together with patience.
- ✓ Co-operation is a collective effort to reach a goal.

These children received a certificate for co-operating this week, well done:

Parking in the Children's Centre

Parents, can you please refrain from parking in the Children's Centre Car Park when dropping off and collecting your child from the school. Thank you.

Sponsored Walk

Thank you to all children who collected an amazing £500 for the annual Sponsored Walk. £30 will go towards transportation of senior citizens from the Rose Taylor Day Centre to attend our Harvest Festival next week. Many miles were walked between all the children and adults. Thank you to the parents who helped out.

Exciting News!!

Skipping lessons are coming to Prince of Wales!

On Monday 7th October for Years 3, 4, 5 and 6. On Monday 14th October for Years Reception, 1 and 2. On both these dates after school gymnastic speed ropes will be on sale. Sevgili Veliler, Bakıcılar, Yönetim ve Arkadaşlar

Pazartesi günü personelimizin eğitim günü büyük bir başarı ile geçti. Öğretmenler matematik dersleri gözlemlemek için başka bir okulu ziyaret ettiler ve kendi derslerinde uygulayacak bilgileri topladılar. Çok değişik fikirler uygulanmaktadır ve bu fikirler öğretim uyarlamalarda yapılıyor. Öğretim asistanları çocukların okuma ve sayı derslerinde desteklemek için çeşitli müdahaleleri sunmak için öğrenme fırsatı oldu. Pazartesi günü 11.10.13 bizim sonraki eğitim gününde, öğretim teknikleri ve çocuklarınızın derslerindeki gelişmeleri için üzerinde durulacaktır.

Çocuk Merkezi'nde Otopark

Sayın Veliler, çocuğunuzu okula bırakıp alırken Çocuk Merkezin 'deki Otoparka park etmeyiniz. Teşekkür ediyoruz.

1 ve 2 'inci sınıfdaki çocukların mont askıları

Çocukların mont askıları oldukça birbirine yakın ve çocukların montlarını asmak için zor hale gelmektedir. Çocuklarınızın okula büyük çanta veya sırt çantaları getirmekle kaynaklanmaktadır.

Sadece bizim okul kitap çantası ve okul spor çantası içinde göndererek bize yardımcı olabilirsiniz lütfen.

Çocuklarınıza biz gereken herşeyi sağlamaktayız. Okula başka bir şey getirmelerine gerek yoktur. İşbirliğiniz için teşekkür ederiz.

Futbol

Bay Taylor, Bay Deenoo ve Bay Bowers bir futbol takımı oluşturmuştur ve Perşembe günleri takımı bölgedeki turnuvalara katılmak için hazırlanmaktadır

The coat pegs for Years 1 and 2 are quite close together and it is becoming difficult for the children to hang up their coats. This is due to children bringing larger bags and/or rucksacks to school which do not fit between the coat pegs easily. Please could you help us by only sending in our school book bag and our school PE bag. The children do not need to bring anything else into school as we provide all they need. Thank you for your co-operation.

Gold Medal Learning at Home

In Year 3 in English we are learning about Greek Mythology. Joel Oskys in 3D was so captivated by the "Perseus and Medusa" myth that he went home, told his mum and consequently made a model of Medusa's head. Describing how he made it Joel said that it all started with a balloon, then papier-mâché on top, green paint for the colour of Medusa's skin, his mum's scarf for her hair and pipe cleaners for the snakes on her head. He then explained his research how "Medusa the Gorgon" is written in Greek letters and copied it on to the base of the stand.

Match report.

Prince of Wales played Keys Meadows in a 30 minute match on Thursday the 26th September. This was the first match in the group stages of the league we have entered in. Keys Meadows looked a formidable team, consisting of tall, powerful, pacey players. However with a combination of tactical passing and crucial defending we successfully won the game 4 – 2. Prince of Wales' football team have hit the ground running in the literal sense, giving us a good start to the league competition. The team that played consisted of 7 players with three substitutions; Rodi Y6, Paul Y5, Joshua A Y6, Joshua B Y5, Theo Y6, Torrie Y6, Guney Y5, Jayden Y5 and Lleyton Y5. Mr D Deenoo
