Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Carers, Governors and Friends,

Welcome back to a new academic year. I was delighted to see our children and families in our playground on Monday morning after the long summer break. Together with our Leadership Team and all staff I look forward to working with you again to ensure 'good and better learning through good and better teaching for our pupils.'

Jan M Bless - Headteacher

Value of this Month: **RESPONSIBILITY**

We are beginning the new school year with a fresh set of 'Values' to explore. During September the children and staff will reflect on the Value **RESPONSIBILITY**. The children will discuss how our LEARNERS Values and the 'Golden Rules' require them to be responsible. Together we will learn how being a responsible 'Gold Medal Learner' will have a positive impact on the children's progress in their new class. Our intention is to help the children understand that when they take responsibility for their learning, behaviour, homework, PE kit, school uniform, book bag and library book...they change their experience and progress at school.

Mrs Stylli - P4C, Values & PSHE Co-ordinator.

First Headteacher's Award – cinema visits in November

We have again secured tickets for all pupils from Years 1 to 6 to visit the cinema in November. All we ask is that our pupils stay on Gold by following our school values and rules, wear the correct uniform (black shoes without coloured soles and laces) and have no or minimal detentions or escorted lunches. Last year a few pupils unfortunately missed this event. Let's make an effort so that all will attend this year.
