

### Packed Lunches and Educational Visits

Over the last years we have experienced many issues regarding packed lunches during educational visits:

1. The huge waste in unwanted school packed lunches that were requested but not used
2. Parents who forgot to arrange a packed lunch
3. Staff spending time organising lunches or communicating with parents at the last minute, putting the visit at risk

We will therefore follow the example of other schools and arrange all packed lunches ourselves. We will trial this with the forthcoming Year 2 visit to the Barbican in March and subsequent visits for KS1.

### Bottle Green House Appeal

Please could you bring in any used 2 litre round clear plastic bottles as illustrated opposite. No other shape, size or colour will do or else we will end up with a wonky greenhouse.

We don't need lids so please dispose of them before you bring in the bottles. Also, ensure the bottles are washed out as any sugar will turn to mould. They can be left preferably at reception.

We are aiming to get our bottle greenhouse finished shortly after half term break. It will be so good to see it in all its glory!!!

## Late collections and the procedure for un-collected children

*Children feel anxious when not collected at the correct time. We wish to minimise this by ensuring that all children are collected at the appropriate time.*

Parents who persistently collect their children late from school will now receive a letter explaining the impact this has on children and the school. We follow the local authority policy that also states that we will contact Children's Social Services and Safer Schools Police Officers, if children are persistently collected late. After this notice a charge will apply for each child at the cost of £5 for every five minutes late to be paid via Parent Pay within 7 days of the date of the letter.

Make sure you know what time your child finishes at the end of the day as this varies between key stages.

Thank you for your co-operation

## Value for February: Kindness

In this week's assembly, the children heard the story 'Have you filled a bucket today?' by Carol McCloud. The story encourages positive behaviour by using the concept of an invisible bucket. The children were shown how easy it is to spread kindness by 'filling buckets' with kind deeds. However, any negative behaviour is called 'bucket dipping' and takes away other people's happiness. We can fill or dip into our own buckets too... Some of the pupils in 4F shared their thoughts about 'Kindness' and how to be a 'bucket filler'.

### Kindness by Kene (4F)

You can show kindness by being respectful. Also by being helpful, and making people feel welcome...and by having manners.

### Kindness by Chloe (4F)

Kindness means being nice to others not only your friends but enemies too.

Not only through your actions but your words. Three examples of kindness:

1. If someone is hurt, ask what is wrong and take him or her to medical.
2. Play with others.
3. Talk to others.

### Kindness by Mei-Lien (4F)

Kindness means friendship. Helping others when in need. Showing respect to each other. Being nice to one another. Being the best you can be. It means listening to each other. It means being nice all the time and not just when you want something.

### Kindness by Remi (4F)

Kindness means helping others and caring. You can stand up for someone that is being bullied and play with that person that has no one to play with

### **Filling Buckets...**

Guess what...when you fill someone's bucket, you fill your own bucket too!

### **Homework this Half Term Break**

Parents, you asked for us to continue the free subscriptions of **Mathletics** and **Reading Eggs**. This would cost you nearly £100 if you paid for this yourselves.

Please ensure your child has regular access to these resources, especially during the holidays.

### What's going in the Reception garden?

A mysterious nest has appeared in the Reception playground, containing what seem to be stony eggs. Puffs of smoke have been seen in the sky and a large shadowy figure flying through the clouds.

Our 4 and 5 year olds have been using this opportunity to think creatively and use their imagination to write and play.

### e-Safety Week 20 – 24 February

The week after half term will be e-safety week, linked to our value of 'Kindness'.

All parents/carers are invited to attend an information session on **Wednesday 22nd February at either 9am or 2.30pm.**

We will be offering advice on how to keep your children safer when using the Internet.
