PRIMARY SCHOOL & CHILDREN'S CENTRE

NEWSLETTER 10<sup>th</sup> October 2013

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents, Carers, Governors and Friends,

This half term we organised two staff inset days. These would normally be attached to a holiday, however we made this decision to benefit from the best training provision and to maximise impact on your children's learning. Thank you for your understanding. Unfortunately due to strike action most classes will be closed one more time next Thursday. I hope that these closures have not been too difficult for you when making work arrangements. We will always endeavour to notify you of changes as soon as we can.

### Value of this Month: *Co-operation*

We are delighted to inform you that Shaayiini 6A and William 6B have been elected by their peers and staff to be the Head Girl and Head Boy this year. They were the first Year 6 pupils to be presented with the new black jumpers in a ceremony during our family assemblies on Monday. We look forward to working with Shaayiini and William to make further improvements to our school and impact on children's learning and well-being. They are seen as role models and will also be regarded as ambassadors for the school when welcoming special visitors.

These children received a certificate for co-operating this week, well done:

### Prince of Wales wins **Gold Accreditation** for School Travel Plan and initiatives

On Wednesday 2<sup>nd</sup> October we travelled by train and tube with Mr Taylor and Miss Neyland to the Camden Centre in King's Cross to receive an award for being a Gold Accreditation School. This means that the pupils and teachers usually use sustainable travel to get to school, either by walking, cycling, scooting or using public transport such as the train or bus. When we got there, we had our photo taken with the award and were given some challenges to earn a

JTA (Junior Travel Ambassador) badge. Our favourite challenge was the cycle challenge where we had to cycle as fast and far as we could for a minute - we rode 600m each! We had other activities where we could plan what would help our school be a better and safer place, to take back to school and put the initiatives in place. We also met a lot of children and adults from all over the London Borough and could discuss and share the initiatives we have in our school.

**Sevgili Veliler, Bakıcılar, Yönetim ve Arkadaşlar,**Bu yarım dönemde, iki tane öğretmen eğitim günü düzenledik. Bunlar normalde bir tatil dönemine bağlı oluyor, ancak biz en iyi eğitimin sağlanması ve çocuklarınız üzerindeki etkisini en üst düzeye çıkarmak için bu kararı aldık.

Ne yazık ki öğretmenlerimizin grevi nedeniyle, sınıflarımız önümüzdeki Perşembe günü bir kez daha kapalı olacaktır. Okulumuzun kapanması umarım sizin çalışma düzeninizi zor durumda bırakmaz. Biz her zaman olduğu gibi yapılan değişiklikleri sizlere en kısa zamanda bildirmeye çalışacağız.

**Bu Ayın değeri: İşbirliği** Shaayiini 6A ve William 6B Başkanı Kız ve Bas çocukları olarak bu yıl için, akranları ve personelimiz tarafından seçildiler. Pazartesi günü bizim aile meclisimiz sırasındaki bir törende 6 inci sınıftaki Shaayiini ve William öğrencileri yeni siyah kazakları, ilk alan çocuklar oldular. Biz okul olarak çocukların öğrenme ve refahı üzerindeki etkisini daha fazla geliştirmek için çalışıyoruz Onlar rol model olarak görülen ve aynı zamanda özel ziyaretçi karşılaşması için okulumuzun elçileri olarak kabul edileceklerdir.Bu hafta ortak bir faaliyet düzenledik ve bir sertifika aldılar,Biz çocuklarımızı tebrik ediyoruz,

## Match Report

Prince of Wales' football team took part in a one day tournament on Friday 4<sup>th</sup> October 2013. The tournament was made up of 30 teams within Enfield borough that played consecutive matches lasting 8 minutes a game. Prince of Wales drew two and lost two, resulting in not qualifying into the playoffs. The team however, showed great perseverance and resilience throughout the tournament; even when losing a game they were able to keep their heads held high and play again. The whole team showed determination with a healthy dose of competitiveness to want to win. Certain players displayed a great attitude throughout each game and in-between matches, which helped to act as role models to others. These children were Paul Y5, Jayden Y5, Joshua B Y5 and Theo Y5. All players on the team contributed well and gave it their all. The team also consisted of Rodi Y6, Joshua A Y6, Darrell Y5, Joseph Y5 and Lleyton Y5. Better luck next time!

## Harvest Festival

We thank all the children and families for the kind donations of food and money. The food was gratefully received by residents from the Rose Taylor Day Centre.

By the last count over £200 was collected which will be donated to the Syria appeal. All classes made a short presentation about Harvest festivals around the world and our new school choir sang beautifully.

*The skipping workshops for Years 4, 5 and 6 were a great success.*

*At, Y6 pupil, was able to demonstrate the 'double Dutch' jump technique in assembly.*
