Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

We shall be celebrating Elmer in the week of 22nd-26th May so look for all your Elmer books and toys and start choosing your favourite Elmer story to share with your class. Much of the learning during the week will centre around one of David McKees' books - Elmer and the Rainbow in the EYFS, Elmer and the Stranger (Years1-3) and Elmer and the Hippos (Years4-6) There will be activities and assemblies linked to Elmer during the week. Look out for events in bookshops and libraries on Elmer Day on 27 May.

Parents Forum

Join school leaders and Governors at the next meeting on Wednesday 21st June at 9am.

Your questions, views and suggestions are valued.

KS2 SATs tests

Our Year 6 pupils tackled the SATs tests this week with a good and optimistic attitude. We anticipate that their overall view of the tests being 'challenging but fair' will be reflected in equally positive results.

We wish our Year 2 pupils an equally good experience when undertaking their KS1 SATs next week.

Toys' policy

Please can parents and pupils follow our policy on toys and personal items, such as fidget spinners, 'goo' pots, tennis balls or football cards.

These should not be brought to school as loss or damage will cause upset and distress. While we understand the appeal for our pupils, they are also a cause for distraction and interrupt learning.

Unless expressly requested by the class teacher, personal items should stay at home to be enjoyed out of school.

Thank you for your co-operation.

Pupils, do you know your tables by the time you finish Year 4? That is the national expectation.

These 5 pupils demonstrated their knowledge of times tables this week and are now part of our growing group of tables champions:

Mehmet 3H, Chloe 4F, Mustafa 4G, Jah'quan 4G and Katie 4K. Congratulations.
