Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

A typical morning in Year 6: Focussed adult led reading sessions take place from 8.45am. All year groups have a daily session like this.

Our Value for this month is OPTIMISM, PATIENCE and HOPE

Today we celebrated our second 'Prince of Wales Charity Day' for Comic Relief. The children and staff value their role as citizens and taking part in a country wide event alongside other schools and communities. There are many values linked to being part of a charity e.g. doing the right thing and expressing our values as a school community. It is part of our national values to contribute to the wider world through fundraising. As we all watch the news this evening, let us encourage our children to feel pride in their effort to be a part of this national fund raising day. Thank you for your generous support today.

Mrs Stylli - PSHE, P4C and Values Co-ordinator

Science Corner – Year 6

Year 6 have been learning about how plants and animals adapt to their environment. We have learned that if animals can't adapt to changes in their environment they may become extinct. This week we have used our research to invent our own animal to survive in a particular environment. This picture shows a selection of these designs made from plasticine.

"Our animal is designed to survive in a cold, mountainous island environment. It has back legs like a goat to be able to climb easily. It has front legs like a mole's to be able to dig tunnels. Its mouth is like a beak to dig into soils for its prey. It also has a furry coat to survive in the cold." Tamera & Shenel 6B

On Friday 20th March, there will be a **SOLAR ECLIPSE** during the school day. This is an exciting opportunity for all our pupils to experience the wonder of the natural world first hand. The whole school will be involved in investigating this exciting event. In order to watch safely, the children need to wear special solar eclipse glasses which the school will provide at a £1 voluntary contribution.

V&A Museum of Childhood
Some children from 1S on their trip this week. The trip was great and everyone really enjoyed themselves. The children behaved immaculately.

On 24th February I was invited with my family to the Deputy Prime Minister's reception at Admiralty house in Whitehall to celebrate Chinese New Year. It was amazing meeting Nick Clegg. After the 2 songs we sang (Gong x Gong xi and Chinese New Year) my brother Leon (former Yr6 pupil) and I took a picture with him. We also took a picture with a famous cook. It was a grand place . It had gold door handles, there were famous, beautiful paintings and red carpet steps. We went with a Chinese school we go to at the weekend.

Pupils fly the flag to mark Commonwealth Day

Enfield mayor Ali Bakir raises the flag with the help of Renee Williams and Fatima Abubakar. Mr Taylor said: "I am delighted that we had a group of children joining us to witness an event that symbolises friendship – and demonstrates to them that it is important to encourage nations to live in harmony."
