## PRIMARY SCHOOL & CHILDREN'S CENTRE

**NEWSLETTER** 13<sup>th</sup> September 2013

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents, Carers, Governors and Friends,

Thank you to the parents who were able to join our Leadership Team at the Wednesday information meetings to find out about our School Vision for this year and for your helpful comments to make further improvements to ensure all children's success. The School Improvement documents that were handed out are now available on our website under 'Our School' – 'School Vision and Aims'. We also evaluated all your comments from the September 2012 meeting with a response (in green) to the concerns (in red). You will be pleased to find out that all areas of concern have been addressed over the year. This document can be found on the website under 'Parents' – 'Your Views'.

Good communication between the school and yourselves is essential; this newsletter is an example of keeping you informed. You will find members of the Leadership Team before and after school in the playground for a friendly chat or to bring something to our attention. Please discuss concerns about your child with the class teacher in first instance. Every Tuesday from 3.15pm to 3.45pm you can visit their class room without making an appointment to find out how your child is learning and to discuss progress.

Jan M Bless  
Headteacher

### Value of this Month: *ATTITUDE*

KS1 children were reminded about getting ready for school through the Learning Bus. They know the importance of having a good night's sleep, a healthy breakfast, getting to school on time and following the rules.

KS2 children found out about well-known people including Albert Einstein, Michael Jordan, Oprah Winfrey, Walt Disney, Lionel Messi and Abraham Lincoln who failed many times in aspects of their lives. However we pointed out that you simply cannot learn unless you make mistakes. We ask the children to not worry about getting things wrong but to have a go, ask for adult or peer support and not laugh at those who get it wrong. These children received a certificate for showing a Good Attitude this week, well done:

## Cinema visits

We have been able to secure places for all our children to attend the NATIONAL YOUTH FILM FESTIVAL.

21.10 Y6 Percy Jackson, Sea of Monsters 

23.10 Y4 Chimpanzee 

24.10 Y5 Oz - The Great and Powerful 

25.10 Y1,2,3 Monsters University 

Through our Gold Medal Learners Values and reward system children have to earn the right to go to the cinema. Children should have at least 20 ticks on their class charts (unless newly arrived to the school) and have no or minimal detentions on record.

We are grateful to ODEON Lee Valley for participating in this annual event.

One aspect of our school improvement is **site security**. All our doors and gates are being wired up to an electronic key fob system to ensure children cannot leave the school site and to monitor who is onsite. The playground gates will for now be pad locked until the new door entry system has been installed. Please take note that the gates will ONLY be opened at the start of the day from 8am to 9.15am and at the end of the day from 3pm to 4pm. At all other times you will have to access the School and Children's Centre via the main entrance on Salisbury Road.
