## Lunch and breakfast club debt is a risk to our school budget, affecting resources for your children

Would you go to the supermarket, fill up your trolley, and expect to walk past the till without paying?

Would you go to a restaurant, order a meal, eat it, but expect to pay for it next month?

Would you go petrol station, fill up your gas tank and drive off?

NO! You would not, but some parents are sending their children to school expecting them to have breakfast and lunch with no funds in their account....Why?

It is your responsibility to ensure lunch and breakfast club accounts are in credit at all times failure to do so means neglect.

We are here to help, we can arrange payment plans to clear any existing arrears and help prevent further debt, but you need to communicate with us, not ignore us.
