Advice and Support for all Parents

Please ensure you **label children's clothes and coats**. This minimises loss and saves time when looking in lost property. We have a selection of clothing that has not been claimed and may be donated to charity

On occasion we have to cancel an event due to lack of **voluntary contributions**. The school can only subsidise a limited amount towards trips and events. We always endeavour to make the cost to you as little as possible and you can be assured that all educational visits and events are good value for money. Only the cost to your child is passed on to you. Any cost for staff is always paid by the school. Please contact the office if you have difficulties paying to see if there are alternative solutions.

Whilst we encourage everyone to leave cars at home and use alternative methods of traveling to school, please refrain from cycling or using scooters on the playground and school grounds. We respectfully ask adults and children to dismount at the school gates to prevent injury to yourself and others as pathways are narrow. Thank you for your support.
