### **EMS Saturday Music Centre**

### Clarinet & Saxophone lessons – free term of lessons this Autumn

We are offering a term of free 'taster' lessons to pupils who wish to learn either the clarinet or the saxophone at the EMS Saturday Music Centre. Anyone interested should contact the EMS office on 020 8807 8881 for further details and to sign up. Lessons begin from 23 September.

### **Beginners Ukulele Club**

Our new Ukulele Club for beginners will take place from 11.45am to 12.30pm and the first session is on Saturday 16th September, so please encourage pupils to come along and have a go. No previous experience is necessary, and children are welcome to bring along their parents to join this group too! Ukuleles are available to borrow so it's not a problem if they don't have one to bring. Membership costs £48 per term, though concessions are available. To avoid disappointment places should be booked in advance by calling 07903 970407 or 8807 8881.

### Saturday Music Club

EMS is also recruiting new members to Saturday Music Club which takes place from 11.30am to 12.15pm at the EMS Saturday Music Centre. This is for Year 1 and 2 pupils and is an excellent foundation in music. Pupils do singing, movement and percussion with a specialist teacher. Again, the first session is on 16th September. Membership is £48 per term, concessions available. Places can be booked by calling 07903 970407, or 8807 8881

### LITTER IN THE PLAYGROUND

Litter bugs STOP!

Because of you we lose a lot

Think before you toss your waste

Put litter in its proper place

Start today to be fair

And show us that you really care

Our environment is in your hands

Do the right thing

Put your litter in the bin

Come on, now let's all begin

If you do you will be doing the right thing!

### **DEBT IN SCHOOL**

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents.

# No parent would take their child to McDonalds and expect them to be given food without paying: the same applies at school

Educational visits: We try to limit more costly educational visits and we aim to give parents enough time to budget for these. Trips will be at risk of cancellation or not being organised if not enough funds are collected in a year group.

Please talk to us before a debt builds up or is there is a problem with paying for a trip.

### Attendance this week

Well done to **3F** & **5T** for best attendance this week.

Remember to come to school every day and on time.

95% is the minimum expectation.
90% and below is not acceptable (unless there is an identified medial issue). 90% means missing half a day per week = 20 days of missed learning!

Our Value for this month is Attitude & Co-operation. These pupils modelled the value this week:

Anna 1K, Anthony 1T, Alehandro 1Ti, Rico 2T, Kayden 2A, Benett 2Th, Rei 3Fe, Arian 3F, Charleene 3S, Sofia 4M, Adam 4R, Aariz 4F, Serkan 5G, Karina 5T, Esther 5W, Mustafa 6T, Jannae 6B, Amber 6H

#### **Schools Film Festival**

The first Headteacher Award will be for pupils to attend the Schools Film Festival in November. We are pleased to inform our children that the seats have been booked and we assume that each and every one of them will work hard and do their best to earn the required ticks. There should also be none or very minor detentions or sanctions by that time.

Mr Bless looks forward to taking you all to the cinema in November.

### Exciting news!

This year there will be an opportunity for children in Years 3, 4, 5 and 6 to win an extra trip to the cinema in November

All the children who have 100% attendance and punctuality, with impeccable behaviour, including homework and reading journals and the correct school uniform, will be entered into a draw.

Prince of Wales Open Space Wetlands Project Update

Work has started on excavating the new wetlands. Hopefully some of our families and community will have noticed the machines and a contractor on the site on their way home and are aware of the wetlands developments on the Prince of Wales Field behind our school. Such an exciting time!

In the week beginning the  $25^{th}$  September we are expecting the wet grassland to be completed. During this week all pupils from years two to six will have the opportunity to visit the site with the benefit of an expert quide, Rita Serra from the WWT London Wetland Centre.

Our pupils will be spending 20/30 minutes at the site. Rita will give each class a 10 minute introduction in their classroom and will then walk them to the site.

Two Parents' Workshops on using Mathletics and Reading Eggs took place today. Information on how to use the sites can be found on our website:
