Justice – The Rule of Law

Listen Excellence Attitude Respect Negotiate Enjoy Responsible Support

How do rules help us at school? Are 'rules' fair?

"Rules show us how to be good. They are fair because it shows me how to set an example for someone else." Annly, 4F

"Rules are about being fair." Tyrese, 2B

"Rules help me in school, to make the right choices." Noah, 5G

"Rules help us to understand how to behave, so we
do not get told off." Mia, 2B

"Rules help me to understand how school should work." Darnell, 6B

"Rules help us to understand how we can be caring." Naomi, 2B

Can you think of other ways to demonstrate this Value at school?

Will you receive the weekly 'Achievement Certificate' and baton, for being a role model for Values?

Learning Together, Growing Together

Celebrating 100 years of Cub Scouts in 2016

In 2016 The Scouting association is commemorating one hundred years of Cub Scouts with local and national celebrations.

In 1916, the section we know as Cub Scouts was formed

and within its first

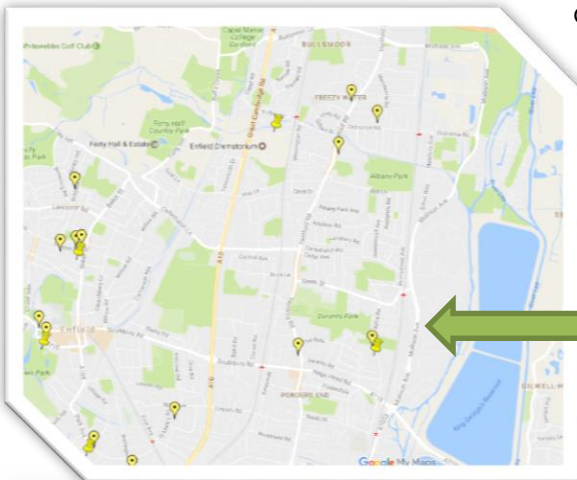

year 30,000 young people joined.

Cub Scouts has grown to over 150,000 members who enjoy fun, challenge and adventure across the UK. Cubs are aged from 8 – 10 ½.

The Enfield District Scouts meet in different locations. Some of Prince of Wales' pupils attend a weekly Cub Pack meeting.

Thousands of kids now own smartphones with a built-in camera and web access...

Although they may not admit it, they are also worried about things that can happen *by-phone*.

Engaging with your kids can help build the confidence & resilience they need to cope.

For example, a regular sit down meal is a great way of encouraging them to open up a little.

It allows them to chat more freely about things they like on their phones, as well as things they don't.

For kids who need extra help with new technology, *Parental Controls* can also be useful.
