

# PRINCE OF WALES PRIMARY SCHOOL

NEWSLETTER 18<sup>th</sup> March 2016

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents, Governors and Friends,

Please remember that the playground gates will open at 8:30 am from Monday 11<sup>th</sup> April after Easter, so don't send children to school early as the playground will be closed. Breakfast club is of course available.

On Wednesday evening some of our Year 5 and 6 represented the school in the dance festival. The theme was *World Class* and our country was Pakistan. The children produced a slick and professional performance. Thank you to Miss Ricketts and Kyle who helped to put the dance together and practise each week.

We were blessed with the sunniest and warmest day of the year during our marvellous Easter Bonnet Parade yesterday. We appreciate all our families who made an effort in participating in this annual school community event. Rainbow Class prepared the little chocolaty treats that were handed out to parents, thank you!

Today's Sport Relief event went very well with all classes competing in basketball, multi-skills or hockey. Early Learners, Nursery and Reception will be participating in sports activities on Monday. Many thanks to Miss Nelson and Mr Rowan for organising a very busy schedule. Photos of all these events can be found on our website.

## Our Value for this month is Interdependence

The children have explored the **Value 'Interdependence'**, and how this value relates to the **British Values of Democracy and Rule of Law**. The children took part in a charity day, to raise money for Sport Relief. The school community has started to explore the link between social justice, interdependence, democracy and the rule of law. Overall, the common thread has been that we need school rules and sporting/games rules. We also need the 'Rule of Law' and democracy in the wider world. We are clearly interdependent on each other. The complexity of social justice will be explored further alongside other monthly values. **Next term's School Value: Responsibility.**

Throughout this week the classes in year 3 have visited the Cemevi in Dalston. This was a trip linked to RE as the children have been learning about Alevism. We were taught a lot about the religion and they played the baglama and performed a dance called a Semah. The children enjoyed the visit and we were made to feel very welcomed. Mrs Nelson – 3N
