Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Our Value for this month is Justice (British Value: Rule of Law)

The children have been thinking about the importance of laws. The pupils have explored the reasons behind having 'laws' in Britain and across the world. We have considered why laws govern and protect us. British citizens have a responsibility to follow the 'Rule of Law'. The children have considered the consequences that can follow a breach of the rules. Our recent visit from the Police, by PC Doris, helped to reinforce the importance of rules and laws.

Mrs Stylli, PSHE and Values Co-ordinator.

Value for this Month: Justice

These children received a certificate for demonstrating this value at Prince of Wales this week, well done: Angelina 1A, Devran 1K, Shernae 1S, Cullu 2Ru, Jamal 2Ri, Karlle 2M, Ilayda 3F, Kaira 3D, Sajad 3G, Jemima 4S, John Mark 4H, Aleya 5G, Lario 5N, Sapphire 5L, Danina 6H, Lola 6B, Paul 6A.

Speech and Language Parents workshop

Thank you very much to all the parents who attended the speech and language workshop with Anshoo Kapila-O'Shea, speech and language therapist from the Early Years Social Inclusion (EYSI) Team on Monday 15th June. During the workshop parents had the opportunity to explore games and activities that would help develop their child's language skills e.g. doing activities such as cooking, playing, talking, shopping, eating, sharing books and having fun together. We also made play dough. Play dough is a fantastic resource for developing children's imagination, as well as their fine motor skills. What can your child make with it? For further games and activities please visit the 'I can' website (www.ican.org.uk) to see what resources they offer. We plan to run further workshops in the autumn term.

Basic Play Dough recipe

Ingredients:

- 1 cup of flour
- ½ cup of salt
- 2 teaspoons of cream of tartar
- 1 cup of warm water
- 1 tablespoon of oil
- Food colouring

Instructions:

1. Mix all the dry ingredients together.
2. Add oil, water and food colouring in a separate bowl from the dry ingredients.
3. Mix dry and wet ingredients thoroughly together.
4. Then knead it together to form a smooth dough.
5. Play dough can be stored in an airtight container when not in use.

You can create many different play doughs by adding a few drops of glitter / sand / different colours.

Pupil injuries

If your child hurts or injures themselves outside of school and they have a mark or bruise please inform a member of staff. If we are unaware of how a child has injured themselves we have a duty of care to investigate it.

Easter egg last week

Did you get the easter egg challenge? It didn't mean a real one, but something was hidden on page 1. Clues: Year 6 pupils were given this treat on Friday & one is holding it right now. Got it?

Overall attendance since September: **94.35%**

Highway code 238: You **MUST NOT** wait, park or load on yellow lines during the times of operation shown on nearby time plates.

In science, we have been learning about vegetated propagation. We enjoy doing our own research and sharing ideas.

Year 5 took a trip to the London Eye. We had fantastic time learning about the famous landmarks whilst on a river cruise. We also had an amazing view of London from the Capsules.

We love learning and coming to school. We have one of the highest attendances on record.

We were intrigued by our trip; we created booklets about the London Eye.

CLASS 5L

CLASS

OF THE

WEEK

We care about high quality work and neat presentation. An astounding 22 pupils have earned their pen licence this term.

We take great pride in coming to school on time, wearing our correct school uniform, tidiness and health & safety. See for yourselves!
