

PRINCE OF WALES PRIMARY SCHOOL

NEWSBULLETIN 19TH May 2017

Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear parent/carer,
The biggest sporting events of 2017 are coming to London this summer – and Prince of Wales is going!
We are delighted to confirm that Prince of Wales has been successful in securing tickets for

Session 6 - Monday 17 July 10.30am

World Para Athletics Championships, & IAAF World Championships London 2017

We are inviting Years 5, 6 and our Gymnastics athletes, the cost will be £2 per person paid via parent pay.

This is a fantastic opportunity and we hope our year 5, 6 and gymnasts will join us.

By paying your £2 on parent pay you are giving your consent in allowing your child to attend, they will need a packed lunch, full school uniform and outer clothing suitable for the English weather.

Clarification the London Para Athletics Championships on Monday 17th July
The cost of the trip is £2 is not a voluntary contribution as this is an experience that is outside the national curriculum.

The trip represents good value as we have liaised with the venue organisers to reduce the cost and we also subsidise the visit ourselves. This is a unique opportunity for your children to be close up to world class athletes.

Our school governors agree that a child cannot go if no payment is made.
We hope all Year 5 and 6 pupils are given permission to go.

Friends of Prince of Wales

If you wish to be involved in our new Friends Association, please come along to the community room at Prince of Wales on Friday 26th May at 9.00am.

It is open to all members of the community, especially parents, who want to get involved in supporting the school.

Obituary: Our beloved chicken Priscilla has 'flown the nest'

Priscilla, the first ever chicken at our school, died on Thursday. She was fit and well up until then and died of old age; 7 is a very good age for a chicken. During the 7 years she has shared her eglu (coop) with several other chickens and has always been an excellent role model showing the new ones where to lay their eggs, where to forage for the juiciest worms and how to make a dry mud bath! The children take it in turns in looking after the chickens, collecting the eggs, feeding them and keeping their eglu clean. Her eggs have also been used in omelettes, cakes, pop overs, pancakes and puddings. She was a real character and if ever a door was open she would stroll into a classroom for some extra maths or English.

She will be missed
