

PRINCE OF WALES PRIMARY SCHOOL

NEWSLETTER 20th May 2016

Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Governors and Friends,
Well done to our Year 2 pupils who have also come to the end of their SATs week. Would you believe that there was appetite among the children to carry on with even more tests? We are glad to say that we didn't notice the anxiety reported in the media. Teachers commented that the children coped well with the harder grammar expectations.

Year 6 pupils had been informed that we would have a special visitor in the playground today. I am pleased to confirm that most pupils made an effort to meet our longer list of expectations in order to enjoy an ice cream, slush puppy or ice lolly.

Jan Bless, Headteacher

What Ms Clarke saw this week in 3N: manipulating cubes to understand volume of 3D shapes

When I walked into the class all the children were constructing 3D shapes and following diagrams. What an enjoyable and practical way to learn about volume!

Our Value for this month is Creativity

At Prince of Wales, we encourage the children to be creative in all aspects of their learning. Creativity is encouraged through music, dance, singing, design & technology, art, writing, debating, P4C, topic work, science, school clubs...the list is endless. Research supports the notion that creative learners raise their own aspirations, take pleasure in learning, and have improved achievements/skills. Creativity is also linked to critical thinking, where the children ask questions in the search of "evidence" to support an argument/viewpoint.

Mrs Stylli, PSHE and Values Co-ordinator

These pupils modelled the value of creativity this week; Bartosz 1A, Eren 1K, Mia 1T, Leila 2Ri, Nehir 2A, Sienna 2Ru, Enes 3G, Riley 3F, Kwasi 3N, Riley 4F, Tia 4H, Yuksel 4L, Katalinea 5L, Sude 5S, Abdullahi 6H, Ayse 6T,

Attendance this week

1A 93.57%	2A 95.67%	3F 98.28%	4F 96.67%	5L 96.67%	6B 92.50%
1K 93.57%	2Ri 93.67%	3G 98.67%	4H 97.00%	5S 94.67%	6H 95.00%
1T 88.97%	2Ru 95.00%	3N 96.67%	4L 98.67%		6T 95.77%

Well done to **3G & 4L** for best attendance this week.

School Target: 95.5%

Overall attendance since September: **95.26%**

..... Please note that the Children's Centre car park is only for parents who use the Early Learners' Day Care. Drop off for the school cannot be done in the car park

.... Thank you for your co-operation

Daniel, Yousef, Acelya and Ameerah all took part in a Tennis Tournament this week. They came 5th out of 12 teams and only missed the semi-finals by a point. Well done to these year 4 children and they did Prince of Wales proud.

Sport Tournaments

Our sports teams continue to do well in competitions. Joshua, Year 6, coached the Year 4 tennis team to 5th place.

The team that took part in yesterday's Tag Rugby Tournament had a great time. They learnt a lot about the game and had a good team spirit. Well done all.

The Year 3/4 Rugby Team

BEST CLASS OUT OF CLASS

Thank you to class 2Ri again, for being a good role model out of class this week. Who will beat them next week?

E-Safety Talk for Parents and Carers

We will be hosting an e-safety talk for parents and carers on Thursday 16th June 2016 at 9am (refreshments from 8.50) in our Community Room for any parents and carers who missed the previous talk. Thank you – Ms Paddon, Mrs Fletcher and Mr Sin.

Preparing Pizza

On Tuesday 17th May, 3G visited Pizza Express in Enfield Town linked to our current Food Technology topic. After travelling by bus, we washed our hands and put on our special uniform which consisted of an apron and hat. We learnt about the history of pizzas and then made our very own! We kneaded the dough, put on our favourite toppings and waited for our creations to cook! We all enjoyed the trip very much, and our pizzas too of course!

Dates for your diary **Value for May: Creativity**

Wednesday 25th May

What Ms Paddon saw... in 6B

On Tuesday morning Ms Paddon came across 6B getting ready to carry out a science investigation, Miss Blake had beakers, yeast, salt, sugar and warm water for the class.

What do you think happened to the balloon? Explain why.
