Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Carers, Governors and Friends,

We were pleased to see many parents attend the Year Group Information Meetings. We believe it is essential that you are aware of the expectations for learning, the curriculum that your child will study, weekly timetable and of course who the staff are that will be supporting them in their class. All information that was shared will be available on the school website. If you were unable to attend the meeting or had to make a choice between year group meetings **then** please take the opportunity to visit the class on any Tuesday from 3.15 to 3.45pm.

Collection after school clubs

It is no longer possible to wait in the school playground whilst your child attends an after school club or activity. The playground gates will electronically lock by 4pm and it is not possible to exit using the buttons. Office staff will not be available to open any gates. Anyone accessing school premises or leaving must do so via the main entrance on Salisbury Road. Parents collecting their child after a club must use the Salisbury Road entrance and walk to the Square Hall where they wait outside to collect their child.

Value of this Month: *ATTITUDE*

KS1 children were reminded that *Getting to School on Time* is part of school readiness and sets them up for a good learning day. KS2 Children were able to recall some positive role models who through their *Can Do* attitude were able to achieve success despite many challenges and failures.

These children received a certificate for showing a Good Attitude this week, well done:

Doğum günü kutlamaları.

Çocuğunuzun doğum gününde sınıf öğretmeni kendisine küçük bir arma yapıştıracaktır. Çocuğunuzun doğum gününü kutlamak üzere okula gün sonunda dağıtılmak üzere sağlıklı bir yiyecek getirmesinde herhangi bir sorun yoktur ancak fındık fıstık gibi alerji yapan gıda ürünlerinin getirilmemesini rica ederiz. Bunun dışında ev yapımı gıdaları ve kesilmesi gereken doğum günü pastalarını da kabul etmemekteyiz.

Birthday treats

The class teacher will acknowledge your child's birthday with a sticker. We are happy for your child to bring a healthy snack or sweet to give out at the end of the day so that parents can make an informed decision about suitability for their child. Some children have food allergies and we ask that nut products are not given, nor hard boiled sweets or homemade food. We will not accept a cake that has to be cut up.
