Dear Parents, Carers, Governors and Friends,

It has been another busy week at our school. The main events include the Phonics Screening Test for Year 1 and 2 children, 2S class assembly, Enfield in Bloom competition, Drop-in for new Nursery parents to name a few events. We started the week with a focus on Reading. The assembly included an enlightening interview with Mr Taylor, Mrs Fletcher and Mrs Antoniou about their current and past reading experiences.

I received very positive comments from parents about our continuous drive for improvements in the school regarding learning and behaviour as well as appreciation from residents in Salisbury Road regarding our efforts to encourage car users not to park in front of their drive ways.

Please can parents ensure that children do not wear nail varnish, otherwise you will be asked to collect your child from school to return them once it has been removed.

Gardening Club

On Tuesday some members of the Gardening Club, led by Craig, spent a 'smashing' day at Capel Manor visiting the gardens, the maze and the farm. The highlight of the day was weighing the potatoes they had grown from seed potatoes donated by the Potato Council. The potatoes had spent a long time chitting and needed a little more time but when our team emptied their grow bag they still managed to produce a good crop of white potatoes! Although we did not win, the children all enjoyed their day out and they shall be leading a potato weigh in competition for every class next year.

When we first got to Capel Manor, we saw children from other schools. A helper took us to a maze, and Hanifa got lost inside it. Then we went to a pond and saw some fish that came from China. They were very peaceful. There was a potato competition to see who had grown the most potatoes, but we didn't win. We saw some cactus plants, but we couldn't touch them because they were too prickly. We looked at the gardens and collected some petals and leaves to stick on our sticky card.

Getting the MMR vaccine:

- If you have a child of school age, or a teenager, who has not had two doses of MMR, please contact your GP to make an appointment.
- If you do not know if they have had two doses of MMR, please call your GP practice to check.
- If you are not registered with a GP, register now and make sure your child or teenager is protected by having the MMR vaccine.
- The MMR vaccine is free on the NHS and is available from your GP in London. Contact your GP as soon as possible to make an appointment.

There has been a case of measles in Enfield and so we are asking all parents and carers to ensure that their children have had 2 doses of the MMR vaccination as this is the best way of protecting them against the effects of the disease.
