Recurring nightmares, a strained relationship with his father, and threatening behaviour from the Fearsome Foursome at school would be challenging for most boys his age. But as an only child with a sensitive, artistic soul, George feels especially alone and ordinary. When he spends an awesome holiday with his zany Aunt Di, a painter, he stumbles across several exciting secrets. Aunt Di's London garden contains statues of a Gargoyle, a Griffin, a Unicorn and a Dragon. At first, George thinks of these as just ordinary statues of mythical creatures. But what if they are not? And what about Roy, the robin? Will George survive the adventure when the Witch turns out to be real? Will his life ever be the same again after his magical experiences?

Our Value for April is... Optimism

Optimism, Patience & Hope

Listen Excellence Attitude Respect Negotiate Enjoy Responsible Support

Can you think of ways to demonstrate 'Optimism' at school?

"To show optimism, you have to listen in class, and always want to learn." Jeremiah, 2F

"Being optimistic is finding out if you can do something, even when you think you can't do it...you might be good at it." Amelia, 2F

"To be optimistic, you always need to try your best when learning...even though it is hard, keep trying and believe in yourself." Annly, 4F

"I can do lots of handwriting and I'm really good at colouring. I am good at playing games with my friends, and listening to my teacher." Beth, 1Tr

"I am optimistic because I am good at art and being creative...I am good at drawing." Karlie, 4F
