SECONDARY SCHOOL APPLICATIONS DEADLINE IS OCTOBER 31ST

Dear Mr Jan Bless,

On Monday 18th September at about 10:30am, I was travelling on the Piccadilly Line when a group of students from your school boarded the carriage. I was impressed with their exemplary behaviour. They were polite, well spoken and most impressively, kept noise levels to a minimum. Some students even displayed a great sense of humour. Every student on that carriage should be proud of the way they represented themselves and their school.

I would also like to commend the teachers/adults accompanying the students for the positive way they interacted with the group. This was obviously a key ingredient to the students' behaviour.

Often times developmental feedback is given to young people, so I'm happy to be able give positive, motivational feedback to a deserving group. They are all a credit to your school.

Please pass on my thoughts and thank the students and teachers for making my commute a pleasant one. I hope they had an enjoyable day.

Kind regards,

A member of the public

BOTTLE GREENHOUSE

Please could you send in <u>clean</u>, round 2 litre plastic bottles so that we can complete the construction of our bottle greenhouse. Bottles can be any colour but MUST be round. We hope some children will be involved in the threading of bottles onto canes, which form the walls of the greenhouse. We have tried previously to complete the greenhouse but still need more bottles. We now hope to complete the greenhouse this half term and you will be able to see the results as you drop off and pick up your children. Thank you for your help.

Please wear your full school uniform and do not forget your Green jumper.

Year 6 will need their Black jumper

...because every picture tells a story...

DEBT IN SCHOOL

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents.

No parent would take their child to McDonalds and expect them to be given food without paying: the same applies at school Educational visits: We try to limit more costly educational visits and we aim to give parents enough time to budget for these. Trips will be at risk of cancellation or not being organised if not enough funds are collected in a year group.

Please talk to us before a debt builds up or is there is a problem with paying for a trip.
