Open letter from school council - 20th March 2013

Dear Parents and Carers,

Our school council met this week as we always do, and many class representatives brought up the growing concern of parents behaviour and language on the school site or in Salisbury Road. We feel it is disgusting that some adults are speaking and behaving this way, and may be influencing younger children at our school in the wrong way. We think this needs to stop and that adults show children how to speak and behave well. We would appreciate seeing a change and that it stops immediately.

Parents' Evening on Tuesday 26th March

Please read your child's report card and make an appointment to find out more about their progress, their next targets and how we can work together to ensure their success. We look forward to seeing you next week. If you are unable to attend on Tuesday, do contact the class teacher to arrange a different meeting.

Drop off and collection of children

Parents and carers, please take note of the following expectations:

KS1 An *adult* must take your child to school and wait in the playground until the children are collected by a member of staff. At the end of the day they must be collected by a responsible *adult*. The class teacher must have been notified in advance who the named adults are that can collect your child.

Years 3 and 4 Children must be dropped off and collected by a responsible person (ideally 18+) that is known to the teacher.

Years 5 and 6 Parents may give permission (form available at the office) for their child to come to and leave school on their own, unless the child's behaviour is a concern to the school (see behaviour policy). Children attending an after school club or returning from an educational visit after 4pm must be collected as well.

Music concerts

As you know music is a great strength at Prince of Wales. This week children in KS1 and KS2 demonstrated their learning and joy of playing musical instruments through well attended concerts. They enthralled the audiences by playing violins, violas, cellos, African drums, keyboard and piano. The school choir also performed their repertoire. Well done children!
