Our Value for this month is Thoughtfulness.

This month, we are linking thoughtfulness with sensitivity. Pupils show sensitivity towards children who may find learning difficult; some children take on the role of teaching other children skills that they have mastered. For example, when a child has completed a piece of coding in Computing, they can model the process to children who are finding it a challenge. Thoughtfulness is clearly linked to being sensitive. This supports an inclusive atmosphere at school. Over half term, we encourage the children to develop their thoughtfulness.

I'd rather be asked than told,
I'd rather be hot than cold,
I'd rather watch the news than Dave,
I'd rather be good than misbehave,
I'd rather be called Clifford than Fred,
I'd rather find my way than be led,
I'd rather push than pull,
I'd rather be clever than a fool.
By Clifford Fosu Amofa, Class 3F

Happiness

Happiness,
Happiness,
Can't stop thinking about it,
Happiness,
Happiness,
Don't know why!
Heart beating,
Blood pumping,
Adrenaline running through my body,
Can't stop the excitement,
All of this happening,
Don't know why!
Got a date?
Got A grades?
Got a degree?
Got a job?
I just don't know!
Pleasure, joy delight,
All running through my body,
No reason appears to be,
The explanation of this ecstatic rush,
Running inside of me.
After hours of thinking,
After days of excitement,
I finally remember,
SAT's are over.

CLASS OF THE WEEK CLASS 1S

The first half hour every day we enjoy reading with an adult in small groups.

In DT we have been making houses out of cardboard boxes!

We sorted out lots of different coins ready to play our shop game.

We love doing drama in 1S. This week we acted out *Walter's Windy Washing Line*!

We loved planting pea seeds with Craig our gardener. We can't wait to see them grow! We learnt that they will need water, light and warmth.

"Planting the seeds was really good fun!"
