Dear Parents, Carers, Governors and Friends,

The year has flown past and I have enjoyed every minute of my time here. I would like to say a BIG thank you to all the children, parents, staff and governors for making my first year so much fun. I am grateful for all the positive comments, advice and encouragements I have received. Together we have achieved an enormous amount and we have many ambitious plans for 2013 – 2014. I look forward to implementing these with your support to make Prince of Wales an *outstanding school*. Please join the Leadership Team on Wednesday 11th September to hear more about our plans.

We take the opportunity to say goodbye to a few members of staff who have been dedicated to your children's success. A big farewell and good luck for the future to Mrs Skipp (30 years no less!), Miss Kusi, Mr Wallace, Mrs Ogonna, Mrs Williams; you will all be missed. We are also indebted to our outgoing Chair of Governors, Pauline Stone, who has been a steadfast champion of our school for over 25 years. Please keep in touch and feel free to visit anytime!

We welcome the following new staff to our team: Miss Homer (office), Miss Paddon (AHT Inclusion), Miss Balmforth (EYFS), Miss Russel (Y2), Miss Greaves (Y2), Mrs Hammond (Y4), Mrs Sultan (Y4).

SUMMER READING CHALLENGE 2013

www.creepy-house.org.uk

Please take part in this year's **Summer Reading Challenge**. You can sign up at the library and take part throughout the summer holidays. The challenge is to read a total of six books, collecting stickers and other rewards on the way. It is free and a great way to have fun with reading. Please let us know in September if you manage to complete the challenge.

For more information, please look at this website:
www.summerreadingchallenge.org.uk

Well done to all who missed none or hardly any school days. I bet that helped your learning a lot!
Remember that I expect you all in school again on Tuesday 3rd September. Have a wonderful break.

Requests for absence

Please understand that holidays in term time cannot be authorised. For your child to make good progress it is essential they attend school every day and come on time unless of course they are not well.

Swimming Gala

Last week Year 5 competed with two other schools in a swimming gala to celebrate the end of our swimming lessons. Everyone tried their best and enjoyed taking part. The last race was the elimination race. Ellie Roberts and Sila Kupeli competed in this race and came 1st and 3rd respectively, scoring the most points. Thank you to all the staff who organised the gala.

1C Class Assembly

Parents, children and staff enjoyed watching a lovely variation of The Three Little Pigs by 1C last Tuesday. The children acted, sang and danced with gusto. Well done for performing with such enthusiasm.

Home Learning during Summer Holidays

The new class teachers have prepared activities for your children to undertake during the summer break. Some activities require your help, such as revising x-tables or playing a game that consolidates learning and gives them the best possible start to the new term. There are also web based ideas that can be found on the school website. Please make full use of Reading Eggs and /or Reading Eggspress. Children who use this frequently will see a significant benefit to their progress. I am pleased to confirm that in September we will also purchase a Maths subscription for each class to access at home. But, we need your help to decide which is the best one for your child. Please let your child investigate the following 3 websites:

<http://uk.ixl.com/> <http://www.mathletics.co.uk/> http://www.mangahigh.com/en_gb/

Links to these can be found on the school website

We will use your and the children's feedback to select the most relevant website.

Sponsored Walk

Friday 27th September will be our annual sponsored walk where the children get sponsored to walk a certain distance. Please get as many sponsors as you can over the holiday and Miss Neyland will give out the forms and envelopes in September so they don't get lost. The average is normally £10 a child but even tiny amounts will still make a difference to the children in school. Remember to only ask adults that you know – don't ask any strangers. We have had lots of requests from parents to have a climbing wall for the children, so that is what this year's money will be going towards so every amount will make a difference.
