

PRINCE OF WALES

PRIMARY SCHOOL & CHILDREN'S CENTRE

NEWSLETTER 26th June 2015

Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Our Value for this month is Justice (British Value: Rule of Law)

Justice and the 'Rule of Law' are linked to 'Civil and Criminal Law'. Laws can be broken around the world by citizens, groups, or organisations. The Red Cross supports people who may be suffering from a breach of law. This can cause 'injustice'. On Monday we held a 'Prince of Wales Charity Day', to raise money for the Red Cross. This is a vital global charity. This charity aims to protect people in conflict. The Red Cross supports refugees, and provide emergency relief to people around the world. The Red Cross is an antidote to injustice.

Mrs Stylli, PSHE and Values Co-ordinator

Value for this Month: Justice

These children received a certificate for demonstrating this value at Prince of Wales this week, well done: Jayden 1A, Joleecia 1S, Dimple 1K, Ibrahim 2Ru, Jayden 2M, Isaiah 2Ri, Erik 3F, Hadi 3G, Blake 3D, Darnell 4H, Safwa 4S, Abigail 5L, Irmak 5G, Naima 5N, Dae'shaun 6B, Jayon 6A, Safia 6H

Railway Safety Talk

On Tuesday, two people from Network Rail came in to talk to all the pupils in assembly about being safe around the railway. This is extremely important as we have a railway station with barriers very close to our school. There were a lot of things that the children learnt about how to behave when at the station or at the barriers waiting to cross the railway tracks safely. The electricity in the overhead cables and on the tracks is on all the time and uses 100x more electricity than your whole house everyday. If you are walking or driving towards a level crossing, you must stop when the lights start flashing and the alarm sounds. If you are halfway across, then you must walk quickly to the other side so that you don't get trapped inside the barriers. If you are in a car, then do not go over the yellow box unless you can clear the other side. The trains travel at 80mph and even if the driver sees you and hits the brake immediately, it will still take the length of 20 football pitches to come to a complete stop. Even if the train is going slower, it still takes a long time to stop because the train weighs the same as 80 adult elephants. When waiting on the platform for a train, you must stay behind the yellow lines at all times. If something accidentally falls on the line then you must not get it yourself, there is a phone on the platform so that someone who works at the station can get it for you safely.

There were a lot of children who said that their parents don't always follow the rules either so please visit <http://www.networkrail.co.uk/safety-education/> to complete the online games and go through the information with your children. There will be a competition next week for the whole school to show what they have learnt.

Barbara Neyland – School Travel Champion

Story teller Pauline with Reception this week.

Soaring Temperatures next week

The weather forecast indicates high temperatures next week. Please ensure children come to school with a water bottle, wearing a sun hat/cap and have had sun cream applied to protect against the sun.

Weekly Yr6 rewards help pupils to make the right choices.

Aiden, mum and Adriana after completing Race for Life 5km race in Trent Park, Enfield, on 14th June. Aiden completed the race in 41 min, beating mum who completed in 42 min. Aiden and mum raised almost £300 for Cancer Research.

Attendance this week

Years 1,2,3 Family

1A 89.31%	2M 95.67%	3D 97.67%*	4H 94.29%	5G 86.67%	6A 93.33%

1S 91.48%	2Ru 92.00%	3G 93.33%		5N 96.67%*	6H 94.20%

Years 4,5,6 Families

Well done to **3D** & **5N** for best attendance this week.

School Target: 95.5%

Overall attendance since September: **94.30%**

Road to Rio

Last Friday, 20 children from across KS2 took part in the 'Road to Rio' event at Albany Park,

to celebrate and promote the Rugby world cup which is being held in Brazil this year. Schools, that were lucky enough to attend this, were able to take part in lots of mini games and activities involving rugby and athletics. This included learning the Maori war dance called the 'Hakka' which is what the New Zealand rugby team perform to their opponents before a game. The children really enjoyed the day and were also able to engage in games with children from other schools.

Mr Deenoo – PE Team

Children from 1S were making their soup for the **Stone Soup competition**. The children really enjoyed it and helped to wash and peel the vegetables. They helped to wash up afterwards as well. They have also been writing instructions for making the soup during English lessons this week and thinking carefully about which 'bossy verbs' they might need to use.

Miss Ashby – 1S

Healthy Body Healthy Mind

Science and sports fortnight is well under way with the children engaging in many different activities already.

On Monday pupils came to school in sportswear or dressed as their favourite sports personality. This was a charity event aimed to raise money for the **Red Cross** as well as launch our *Healthy Body Healthy Mind* event.

Each class will be working in the food technology room to produce a **healthy soup** using selected ingredients including a variety of herbs and any other produce they have grown in their outdoor areas.

Year 6 pupils are leading **keep fit at lunch time** in the playground to music being played from our **school radio** room. Our radio DJs and MCs (Lana, Emir, Destiny and Fharidah in Year 5) have been trained to use the very high-tech radio equipment in an after school club and are now able to function and host Radio Power independently.

As well as many in class activities linked to our theme, our Dance teacher Kyle has delivered dance and **aerobic workouts** to various year groups and will continue to work with the rest of the school next week. Parents and carers - watch out for Kyle during our family picnic next Friday where he'll be leading a workout for adults and children!! Be prepared to join in and get moving!!

Mrs Vourloumis – Assistant Headteacher

Dancing in the playground to the beats conjured up by our budding DJs.
