Olympic Symphony Premiere at the Royal Albert Hall

What an honour to be one of the selected schools to perform at the Royal Albert Hall. The school choir performed as part of a massed choir with a large orchestra (which included the Royal Philharmonic Orchestra) a newly commissioned piece 'The Olympic Symphony'.

The children worked hard in a short period of time to learn all the various choral parts and performed like true professionals. Well done choir!

Class 3K's assembly

Class 3K have been learning about the structure of a story. They told us how stories start with an introduction, build up to a dilemma, then the resolution, and finally the ending of the story. They told us the story of Captain Flinn and the Pirate Dinosaurs. They acted out the story with the help of songs, and pictures on

the big screen. Class 3K have also written their own stories using this story structure.

Year One Trip to CLC

All the children in Year One enjoyed their school trip to the CLC. The children used animation computer programs to demonstrate how a seed grows into a flower. This linked well to their topic of 'Growing' that they are learning about in school.

The children also had the opportunity to make up their own stories using Animation features. The class teachers in Year One are going to use animation in future ICT lessons at school to enhance the children's learning.

ICT sessions for parents

Does your child know how to use the computer better than you? Are you afraid to even switch it on? We are currently holding ICT sessions for parents/carers on Tuesday mornings. Speak to Mrs Rees for more details.
