Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Carers, Governors and Friends,

We are approaching the Festive Season and whilst we continue our relentless drive towards excellence in each lesson we also anticipate the events December has on offer.

Firstly we look forward to updating you on your children's progress on Tuesday 10th and to find out what strategies we can put in place at school and at home to help them achieve and exceed their full potential. That same evening a group of Year 6 pupils will start a fund raising event to support a special idea they have; find out on page 2 why you should go to the Dining Hall that evening as well.

Next Friday we hope to see you all at the Winter Wonderland that is being held in the Children's Centre car park. The staff at the C.C. are yet again working hard at organising a fabulous community event. We are delighted with a generous donation by HRH Prince Charles, who has offered a beautiful tea set, that will be raffled.

Our Christmas celebrations vary from the traditional Nativity play and Carol singing to the talent show and a whole school traditional Christmas Dinner complete with crackers and cheesy jokes. The meal is free for all children; I hope they all have had a dinner booked so that they can sit with their class mates and teachers

Our value for December is PEACE.

'Grow Your Own' Tea Party

On Friday 22nd November David Barenga and Shandel Whyte from 4F went to Forty Hall to talk about their experiences with the Grow Your Own Project and the school's gardening club with Ms Paddon and Craig our Head Gardener.

Shandel : "When we arrived at Forty Hall. We saw a big house and went inside. We went into the room where we were going to speak, but before we did we saw a chocolate heaven and there was a collage of pictures from all the schools that took part. I saw Prince of Wales School and I saw a picture of Sapphire, Jaime and Greter."

David: "I spoke about growing plants and vegetables. I grew a sunflower and some peas. Next I spoke about when Spurs came in and did activities with me and my class. They taught us how to make beetroot cupcakes."

Football Match

Prince of Wales played Eastfield Primary School last Tuesday in a friendly football match at our home ground. Both schools arranged the match so that players from each team could have more game experience and further increase confidence and ability. The game got off to a fiery start with each team scoring early on. By half-time Prince of Wales' were feeling more comfortable on and off the ball and were able to take the lead to 2-1 at the start of the second half. Towards the end of the match our pupils were retaining possession well and managed to seal the win by scoring a 3rd goal, ending the game with 3-1 to Prince of Wales. We hope to arrange more friendly matches with schools in the area to prepare our team for league and tournament games.

Players: Rodi, Aaron, Paul, Jayden, Theo, Leyton, Joshua B (5S), Wesley, Joshua B (5H) Adrian.

Man of the Match: Joshua Allen.

Prince of Wales Crazy for Golf

The *Young Leaders* in Year 6 have been working very hard to bring a new and exciting activity to POW. Following their hard work and research they have persuaded the School Leadership Team and the Environment Team to agree to a crazy golf course on the 'Island'. So, this is where the fund raising starts!!! Please join us for the first event on December 10th starting at 3:10pm in the square hall. During Parents' Evening there will be a variety of refreshments including the Fair Trade stall along with unwanted toys children have donated in time for Santa to bring them new ones! The POW crazy golf will be an amazing feature in our playground and a first for the area. We hope you can see many educational benefits to this scheme and help us raise the necessary funds.

YEAR 6 GOES POTTY

Rachael Christodoulou the Primary Partnership Manager at Oasis Enfield arranged for a group of Year 6 pupils to experience a pottery session at the art department. They learnt how to make a clay cylindrical pot. Once this had been mastered, the children used the designs they had sketched at school to transform their pots into Greek vases, cups and urns. These were then decorated and have been left at Oasis so they can be fired in the kiln as real clay was used. We await the final results which should be ready in time for Christmas.

Sayın Velilerimiz, Bakıcılar ve Arkadaşlar,

'Kendi üretmek' Çay Partisi 22 Kasım Cuma günü 4F Sınıfından David Barenga, Shandel Whyte, Ms Paddon ve Craig, bizim Bahçıvan ile 'Kendi üretmek Projesi' ve okulun 'Bahçe kulübü' ile kendi deneyimleri hakkında konuşmak için Forty Hall'a gittiler.

Shandel : "Biz Forty Hall'e geldiğimizde, büyük bir ev gördük ve içeri girdik. Bizim konuşmamızı yapmak için odaya girerken bir çikolata cenneti ve katılan tüm okulların resimlerini sergilenen bir kolaj gördük. Ben Prince of Wales Okulunu ve Sapphire, Jaime ve Greter bir resmini gördüm."

David: "Ben yetişen bitki ve sebzeler hakkında konuştum ve bir ayçiçeği ve bazı bezelyeler yetiştirdiğim diğim konusunda bilgi verdim. Sonra okulumuza gelen Spurs sınıfımıza yaptığı aktiviteleri ile hakkında konuştum. Onlar bize pancar kekler nasıl yapıldığını öğrettiler."
