BOTTLE GREENHOUSE

Please could you send in <u>clean</u>, round 2 litre plastic bottles so that we can complete the construction of our bottle greenhouse. Bottles can be any colour but MUST be round. We hope some children will be involved in the threading of bottles onto canes, which form the walls of the greenhouse. We have tried previously to complete the greenhouse but still need more bottles. We now hope to complete the greenhouse this half term and you will be able to see the results as you drop off and pick up your children.

hank you for your help.
