Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Governors and Friends,
World Book Day on Thursday started with a very well attended Reading Breakfast with parents reading with their children, whilst enjoying a refreshment and selection of snacks. This was repeated this morning with another group having the opportunity to share books together. Many pupils and staff made the most of the opportunity of dressing up in a large collection of characters from novels, comics, tales, poems and stories. At the end of the day, all pupils were given a £1 book voucher which we hope will be spent on a book that will be enjoyed and gives a taste for more. Thanks to the Reading Team led by Miss Lobosco for organising the Book Day events.

Jan Bless, Headteacher

Our Value for this month is *Interdependence*

This month the children will explore the **Value 'Interdependence'**. The children are aware that across the world, people, places, economies and environments are all linked. How does 'Interdependence' link to the **British Values of Democracy and Rule of Law?** One answer is through 'sportsmanship'. In PE lessons/sporting events, there is an interdependence between coaches/teachers and the pupils. There is a desire to win/be the best. However, there is also a commitment to fair play, and concern and respect for opponents. The values of democracy and rule of law/rules of sport are interdependent. **Next week: Interdependence and Social Justice.**

Mrs Stylli, PSHE and Values Co-ordinator

Attendance this week

1A 83.93%	2A 92.97%	3F 96.90%	4F 94.48%	5L 92.07%	6B 88.57%
1K 94.29%	2Ri 95.71%	3G 97.86%	4H 91.00%	5S 98.92%	6H 94.64%
1T 93.93%	2Ru 96.00%	3N 95.33%	4L 89.00%		6T 94.48%

Well done to **3G & 5S** for best attendance this week.

School Target: 95.5%

Overall attendance since September: **94.96%**

These pupils modelled the value of interdependence this week: Ahmed 1T, Jack 1A, Skye 1K, Gemma 2Ru, Yusuf 2A, Ella 2Ri, Efo 3F, Karlie 3G, Onur 3N, Jessica 4F, Aiden 4L, Harley 4H, Callum 5L, Kennedy 5S, Joshua 6B, Zeynap 6T, Lana 6H

Year 1

What materials feel silky or rough? What objects are heavy or light? Are they transparent or opaque? Can they bend or stretch? What are they made from? These are some of the many questions we have been asking and practically exploring in Year 1. "But scissors are made from metal and plastic" observed several children. "I can squash a rubber ball" discovered others. Our investigating has been lots of fun and continues...

The community dentist will be in school on Monday

14th and Tuesday 15th March to check the children's teeth and varnish them with a fluoride paste, this will be held in the community room. This is a program running over the country and our school has been chosen, as Enfield is one of the highest boroughs of child with tooth decay. The children to be treated will be Nursery, Reception and year 1.

Year 3 and 4 Athletics

On Friday 26th February 8 children took part in an athletics competition at The Latymer School. The field events consisted of javelin, chest push, long jump, throwing and speed bounce. All of the children showed great skill and gave 100% at each event. Miss Ryde practised all of the events with the children before so they knew what to expect. Year 10 pupils supported them at the venue to help improve. The final event was a relay and Prince of Wales won this race - they were so fast! Kwasi told the organiser at the end of the morning "this was the best day ever!"
Miss Nelson – PE Lead
