Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Last week you may remember we told you about "Project Earth Rock," in which our KS1 and KS2 pupils were involved. The project ended with our pupils working together to compose their own song about healthy ways of coming to school.

Below you will find the links to listen to our pupils performing these songs. Please listen and feel proud of their achievements.

Maths Challenge Time with Miss Richie and Mrs. Neodeous!

Have a go at this puzzle at home. Feel free to come and tell me when you have found the answer or wait for the answer in next weeks newsletter.

Good luck!

Use 3 of these numbers to make 15.

You can only use each number once in each sum.

How many possibilities can you find?

Well done if you solved last week's problem! The unscrambled words were:

estimate billion factor number triangle
odd subtraction addition symmetry metre

Salisbury Road Residents Meeting 26th February

Residents from Salisbury Road have been invited to a meeting in the Community Room at Prince of Wales School to discuss their concerns regarding drivers' behaviours during the school run, such as inappropriate use of horns, problematic parking and speeding. The meeting will also be attended by representatives of the local authority.

Our Value for this month is *Honesty*

This month our new Value is Honesty. The children will explore what it means to be truthful and sincere. What does 'being honest' mean to your child? Through the story of Pinocchio and 'The Boy who cried Wolf', the children can learn about the consequences of telling lies. At home, you could discuss the quote "Honesty is the best policy" (Shakespeare). Should we always be honest? Are there situations when it is acceptable to be dishonest?

Healthy Sandwiches

Warburtons came to 4L to talk to us about healthy eating, preparing food and food safety. First, we learnt about the history of Warburtons and talked about the family who own the company. Then, we learnt about what we should eat to stay healthy. We used the Eatwell Plate to help us think about how much of each type of food we should eat. Using what we had learnt about healthy eating we made our own sandwiches. We used brown bread because it has the most fibre and put lots of vegetables into our sandwiches. We got to take our sandwiches home and even got a goodie bag! We had a great time and look forward to making more healthy sandwiches at home!

Punctuality affects the start to your children's learning day. From Nursery to Year 6 we experience pupils finding it harder to settle down and learn when they arrive late. Please make every effort to come to school on time. Thank you.

We collect Sainsbury's vouchers, so please bring them in.
