

Parent Consultation: Proposal to Change the Structure of the School Day

We are consulting parents, staff and children regarding proposed changes to the school day from September 2018.

Please read the letter that sets out the proposal, together with an invitation to parents to attend a meeting on Thursday 17th May at 5pm or on Friday 18th May at 9am. You will also be invited to complete an online survey.

The proposed changes to the school's start and finishing times will not reduce the amount of children's learning time –that will stay the same. We would actually offer your children opportunities for enrichment and new experiences!

The proposal is made to benefit children's learning outcomes and staff well-being.

Y6 SATs

To all our Year 6 pupils during their SAT's week,
A few things to help get you on your way for each test day:

- Go to bed early, rest properly.
- Make sure you come to school on time.
- Eat a good breakfast or at least try a light snack, high in protein, so your brain has something to work with.
- Stay hydrated drink plenty of water, before tests.
- Use what you know about exam technique – stay calm and answer all the questions.

We wish you all the best!

This week's Brilliant Books Winner

Congratulations Shifa in 2Th for being selected to share her work in assembly. Mr Sin, our ICT technician, chose this week's Brilliant Books pupil. Shifa chose a bouncy tennis ball for her prize from the treasure chest.
