

The School Parliament's

Half Term Newsletter – Summer 1st 2018

Promoting our School's Values and the 'British Values'

Listen Excellence Attitude Respect Negotiate Enjoy Responsible Support

What do you think about being a MSP?

"As an MSP I want to make a difference in the school. I also want to follow the British Values." Esther, 5W

"I think that being a MSP is a good thing because we can help children feel like coming to school. We can bring new things to school." Alisia, 6T

"I think that being an MSP is very important because we give ideas to the school. Also, I enjoy coming to MSP meeting because we make the school a better place just by using our ideas." Shakala, 6H

"The School Parliament listens to our ideas and opinions...it's a great club." Tuana, 6B

"It is good to have a School Parliament, so that things do not stay the same, and to be able to make a difference." Jasmine, 6B

July

Philosophy for Children (P4C) and the School Parliament

Discuss the school's motto...
'Learning Together, Growing Together'

Some examples from the MSPs enquiry:

"We need to support each other in life on many levels in order to learn and grow." Ansh.

"We need to feel supported in order to help others...then you feel inspired to learn. When you are learning with others, you can grow." Aline-Amour

"When we learn and grow together, then we are interdependent. We depend on each other. We need each other." Zarah.

The School Parliament...Learning Together, Growing Together
