2018  
THANK  
A  
TEACHER  
DAY

Thank you Miss Clarke  
You are a true champion of children's learning.

On today's 'Thank a Teacher' day Miss Clarke, our Deputy Headteacher, was awarded a Certificate of Excellence in recognition of her inspirational work, determination and passion to ensure our pupils achieve the very best through a purposeful and engaging curriculum and her numerous initiatives. Celebrating this with us were members of the Alevi community, representatives from the University of Westminster and also from the local authority.

Look at the fun we had on our Year 6 Residential Journey in Butlin's Skegness!

**Can you help 6H raise funds for their Year 6 Leaver's Disco?**

Will be having a cake sale on Tuesday 26<sup>th</sup> June after school and an ice lolly sale after school on Friday 29<sup>th</sup> of June - to raise funds for the Year 6 Leaver's Disco.

We hope to see you next week, supporting our stand.

Our Value for this June is **Happiness**. These pupils modelled the value this week:

## Gardening world at Prince of Wales

All the children have been very busy planting fruit and vegetables this term. Every class has planted a different seed which have been growing steadily in our polytunnel. We have now planted our crops out into the gardens and the children are going to be looking after them. We are hoping to have lots of lovely things for the children to harvest including: Carrots, Peas, Tomatoes, Mange Tout, Brussel Sprouts and Broccoli to name a few. Gardening club have also been busy. We have planted a variety of vegetables and fruits and have also harvested our potatoes which have been growing since before the Easter holidays. The potatoes have been given to Mrs Fromet who is going to cook them with the cooking club next week.

Are you a keen gardener? We would like to invite parents to come and get involved with our new community garden, planting and maintaining the beds. The idea is to create a vibrant and attractive space that can be used by parents in their free time. We received a lottery grant to fund the garden, some of this money has been spent on the construction, however we have plenty left to buy plants and would really like ideas and input as to what to plant here as well as the help in doing so. The garden has been built using raised beds, hopefully making it accessible to as many people as possible. If you are interested, please come along to our introduction on **Wednesday 27<sup>th</sup> June at 2.15pm**. We can do a bit of planting and I will be able to give you any information you need. We will be finished in time for you to pick up your children. Thank you, *Lisa Homer - Head Gardener*
