New community garden

This week we invited parents from Year 2 into school to do some planting with their children in our community garden. The children planted Sweetcorn, Squashes and Peas from seed, as well as Nasturtiums and Camomile to use as companion planting. The plants have been in our polytunnel for a few weeks growing big and strong and were finally ready to plant out. Half of each class came outside to plant with their parents while the other half made some yummy potato salad using potatoes and herbs grown in the school gardens. Now all the children will take it in turns to water the plants to keep them healthy. We are hoping to harvest our crops in the autumn term when the children will have the opportunity to use the vegetables to cook and eat. Thank you to those parents who were able to come and help. There will be lots more opportunities to come and get involved so please look out for further notices in the newsletter and take a look at our new community garden notice board.

If you are interested in helping in our community garden please contact the office who will pass your details on to Miss Homer.

Prince of Wales winners of Enfield District Sports

Wednesday 20th June was a proud day in athletics for Prince of Wales! Our children attended the District Sports Day at Lee Valley Athletics Centre.

They competed at the highest level, came first in 11 events, conducted themselves like true ambassadors of their families and our school and every

single child gave their best effort to earn 161 points to win us the competition!

Well done POW athletes!

Mr Campbell

What a fantastic performance from POW!

P is for passionate

O is outstanding

W is winners

Well to the team

Mr Shah
