Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents and Carers,

Measles, chicken pox and shingles

Please may we ask for your co-operation in an important matter. One of our pupils has a compromised immune system and are at risk if they are exposed to measles, chicken pox or shingles.

Please can you let us know immediately if your child is suspected of having measles, chicken pox or shingles.

Your child is not at risk whatsoever from this situation. However, the health and well-being of our pupil who is at risk, does depend on the co-operation of all other parents / carers and we hope you can help us.

Morning drop off

Children in EYFS, KS2 and Years 3 & 4 *must* be accompanied by a responsible person, who stays with them in the playground until they have entered the school. Similarly, a responsible person *must* take them to the Breakfast club door and hand over personally to school staff before leaving.

Thank you for your cooperation,
Mr Bless

Hello Parents and Friends,
Are you, or do you know someone who, is interested in having a table at our Christmas Fair on Friday 14th December 3 - 6pm at our school? Tables will be £15!
Please contact Stacey and Anita

Your invitation to Prince of Wales Wetlands Open Day

Prince of Wales Open Space, Enfield Lock, London

Thursday 27 September 2018

11am – 1pm

Enfield Lock's new community wetlands

Please come along to our special event and discover how much has been achieved as we celebrate the creation of the amazing new wetlands. It's been an incredible journey, that's been helped by local people.

We're so proud of everything that's been accomplished and the level of community engagement achieved and we'd love to share our story with you.

You'll be able to meet the organisations and people who've helped make it all possible and find out how you can play your part in the park's ongoing development. During the day you'll also have the chance to get hands-on with a conservation activity and sew some wild flower seeds. There'll also be the opportunity to join a short guided walk around the site to see in more detail exactly how the local environment and the Turkey Brook have been enhanced.

This project is a fantastic example of how by working together, we can make our urban areas better places for both people and wildlife. But this is just the start. There is so much more we want to do.

We look forward to sharing our vision with you.

September 2018

Dear Parents/Carers,

I am writing to let you know about Prince of Wales Primary's work with Place2Be, a national charity supporting schools to improve the confidence and wellbeing of children and young people.

Place2Be provides emotional and therapeutic support to pupils, families and staff in more than 250 schools nationwide. It gives pupils a space to express themselves through talking and creative work, and to think about any worries they might have. Place2Be also provides support for parents and staff too.

Place2Talk

One of the most popular aspects of this service is called 'Place2Talk'. It's open to all pupils, and they can make an appointment to spend 15 minutes with a trained counsellor, either by themselves or with a friend. On average, about a third of pupils in Place2Be's schools take advantage of this service every year. Pupils often talk about friendships or any worries they may have.

Parental Agreement for Accessing Place2Talk

Unless we hear otherwise from you, the school and Place2Be will assume that your child has parent/carers' permission to come to Place2Talk.

If you would like to find out more, or would prefer that your child does not use this service, please contact Jonathan Emeruwa (School Project Manager) on 01992 762840 who will be very happy to answer any questions.

PARENTS' EVENING THURSDAY 1st NOVEMBER

3.45pm to 6.25pm

YouTube is a video sharing site/application that enables you to upload, view, rate, share and comment on a wide variety of videos. Consisting of a huge resource of information, advice and entertainment, YouTube now has 1.9 billion logged-in monthly users who watch a billion hours of video daily. Most of the content on Google-owned YouTube is uploaded by individuals, but organisations and media companies also offer some of their content via this platform.

AGE RESTRICTION
13+

What parents need to know about YouTube

SPENDING A PREMIUM

YouTube Premium (formerly YouTube Red) is a new paid streaming subscription service in the UK, offering a three-month free trial to tempt viewers into a £12-per-month plan. This includes the ability to download videos, stream videos with the app in the background, gives exclusive access to original content and a separate music streaming service and gaming app.

DANGEROUS 'CHALLENGE' & VIRAL VIDEOS

On YouTube, 'challenge videos' are shared quickly and can be very dangerous. One person may post a video of themselves doing something unusual like eating a hot chili or jumping in a river and before you know it, the video goes viral and everyone wants to join in and share their videos. The speed in which challenge videos spread across the Internet makes it difficult to keep up with the latest ones.

SHARING VIDEOS

As well as watching videos, many children are keen to share their own videos online, emulating their YouTube heroes, such as Stampy or DanTDM. However, if they post something on YouTube, they may later regret it or feel embarrassed about what they have shared. There is also a risk that they will receive hurtful or negative comments regarding not only their content, but also their appearance. YouTube's comment section is infamous for being one of the most opinionated on the Internet.

IN-APP MESSAGING

When your child is logged into their Google account and browsing the YouTube website, they can share and talk about videos with their friends using the chat bubble. This can be found at the top right of the desktop site or through in-app messaging on their mobile or tablet. When they tap on the 'Friends' icon, they have a list of suggested people from their contacts - which can be any contact they've had on Google or somebody who has sent them an invite link.

AGE-INAPPROPRIATE VIDEOS

As YouTube is the biggest video sharing website in the world, there is content available for all ages, meaning that some content will not be appropriate for your child. If you think that content is unsuitable, there is a flagging feature to submit it for review by YouTube staff, but you will need to be aware that just because video is not appropriate for a younger audience, it may not violate YouTube's policies. YouTube has mechanisms in place to automatically remove explicit and harmful content, yet offensive content may still slip through.

National Online Safety

Top Tips for Parents

TURN ON 'RESTRICTED' MODE

'Restricted Mode' is an optional setting you can use to help screen out potentially mature content - you may prefer your child not to see. Restricted Mode works on the browser or device level, so must be turned on for each browser or device your child uses. To do this, follow these steps:

Desktop:

- Go to the bottom of any YouTube page and switch 'Restricted Mode' to 'ON'.
- To make it more difficult for this to be turned off, you will be given the option to lock restricted mode onto your browser.

Mobile:

- Tap the three vertical dots at the top-right on the screen and press, 'Settings'.
- Click on 'Restricted mode filtering'.
- Press 'Restrict'.

Please note that you can't 'lock' restricted mode on a phone in the same way that you can on a desktop. You will need to turn this on each time your child uses it.

CREATE A FAMILY GOOGLE ACCOUNT

By having a shared family Google account, checking the history will enable you to see exactly what your child is watching and sharing on YouTube. To see the history on a computer, on the right hand menu under the library section, click 'History'. On mobiles, the viewing history can be found by clicking on the 'Library' tab.

BLOCKING ACCOUNTS

When using YouTube, there may be instances where your child receives negative comments. If somebody's giving your child a difficult time, here's how to block them and prevent future comments and replies:

- Go to their channel/account by clicking on their name.
- Click on 'About'.
- Tap the dropdown box with an image of a flag on it.
- Press 'Block user'.
- Tap 'Submit'.

MONITOR WHAT YOUR CHILD IS WATCHING/POSTING

The only way to truly know what your child may have been watching is to regularly monitor them. You can do this by checking their viewing history. YouTube videos can also be easily downloaded, so it is important that your child understands the associated dangers of content they are uploading and that it could harm their online reputation in the future. Show them how to set their videos to private or choose a small network of YouTube friends to share with. To get started, your child can use YouTube Studio which offers learning modules on creating a YouTube channel, however, you should encourage them not to use their real name.

NEW FEATURES

DIGITAL WELLBEING

YouTube has launched a tool called 'Time Watched' that allows you to see how long has been spent on the platform. Once you have discovered how much time has been spent on the app, there is the option to set a time limit. Once the limit is reached, a reminder will pop up on the screen. You can also disable sounds and vibrations to help resist the urge to check for notifications.

OPT FOR A FAMILY PREMIUM PLAN

A YouTube family Premium plan may be a cost-effective option if you have more than one child. For £17.99 a month, it allows you to share a YouTube paid membership with up to five other family members - aged 13 and older - living in the same household. As the account holder, or family manager, you must create a Google family account.

MANAGING IN-APP MESSAGES

If your child is accessing YouTube via your account, bear in mind that they may be contacted by Google contacts who are complete strangers to them. You can remove someone from the suggested contacts list by pressing and holding the person's name and tapping on the red 'x'.

POPULAR YOUTUBE GAMERS

There are hundreds of YouTube accounts which show other people playing and commenting on games. These are called 'Let's Play' videos. While YouTube can be a great resource for hints, tips and news for games, it is a good idea for parents to keep a close eye on what YouTube's are posting. Often, the games they are playing will contain strong language and violence. A few examples of popular YouTube gamers for you to have a look at are:

- Stampy
- Yogscast Lewis & Simon
- PewDiePie
- EthanGamer
- Markiplier

- PopularMMOs
- Captainsparklez
- Jacksepticeye
- LCorbis
- Dan TDM

Do you recognise the area in the photos above?

Yes, that is our local area in 1947 before Prince of Wales Primary School was built.

But where is our school site exactly? Circle the school boundary in the first image and bring it in to show your class teacher. Image 2: what has replaced the large puddles of water? And, what can we find now if we went to the lower half of image 3? Has anything in these photos remained the same?

The website <https://britainfromabove.org.uk/en/map?country=global&view=map#9,537238,198391> has many more photos of this area and the whole of Britain.

With thanks to Sheila Stacey, school governor and former Lollipop Lady, for bringing this site to our attention.

Metropolitan Police Service (MPS) Christmas Tree Project 2018

Metropolitan Police Service's annual Poster Competition promotes the Commissioner's Christmas Tree Project.

The Christmas Tree Project began with one tree outside New Scotland Yard in Westminster. This tree was decorated with individual tags which gave information on how to buy a present for a child in care. These presents were then handed in to Police Officers, who would distribute them to children.

In the last four years, this Project has taken place across London, with each of the 32 Boroughs putting up a tree with tags on. The response from our people and public has been simply overwhelming. In 2017 the Project exceeded expectations with 19,133 presents delivered to children across London. Many officers described this as some of the most rewarding work they had done during their service, as the impact of uniformed police officers spending time with children managed to bring some cheer.

To advertise this Project, every year we have a poster with a picture designed by a Primary School child. This year, every Borough's Senior Leadership Team will pick a winner, whose picture will be made into a poster and will be used throughout the Project on your Borough. All Borough winners along with their families, will be invited to New Scotland Yard to watch The Commissioner switch on the lights to the main Christmas Tree and also to the Metropolitan Police Christmas Carol service at Westminster Abbey.

The Commissioner and the overall poster designed winner will switch on the Christmas Tree lights.

In order for Doris to receive all entries on time, the deadline for our school is Friday 5th October.

Please write clearly on the back first and last name, school, class and age.

Hand entries to the school office for the attention of Mr Bless.
